ACCELERATED OPTION CURRICULUM PLAN FOR STUDENTS WITH PREVIOUS BACCALAUREATE DEGREE

The School of Nursing provides an opportunity for students who have a previous baccalaureate degree in a field other than nursing to be admitted into a curriculum plan specifically designed to facilitate attainment of a baccalaureate degree in nursing. Students must be accepted specifically into the accelerated program. Requirements include a previous baccalaureate degree, specific prenursing prerequisites, and a GPA of 3.0 on all prerequisite coursework applied to this degree. Students will be admitted to the accelerated option beginning yearly in May.

Specific Courses required prior to admission to professional nursing courses:
Equivalent courses may have been earned as part of the previous degree.

Admission Requirements:

1. A preliminary review of college transcripts to be conducted prior to submitting an application to determine admission eligibility and identify any necessary course prerequisites.
2. A consultation with the Coordinator of the Communicable Disease Control Clinic prior to admission. Prior to enrollment, submit a completed Physical Examination Form, proof of immunity to measles, mumps, rubella, and varicella, a current TD immunization, and current Mantoux testing for TB. A copy of your card from a completed American Heart Association Health Care Provider Course must be submitted.
3. GPA of 3.0 in the following courses: ENGL, MATH, CHEM, PSYC, SOCL, FCSC, and BIOL. All other courses applied to the degree must have a grade of "C" or better.
4. Complete an application for the Accelerated BS in Nursing Option.
5. A letter by you, the applicant, that describes your views of nursing as a profession and the qualities you possess that will ensure your success in professional nursing.
6. A personal interview, on-campus, with a member of the Accelerated BS

Option faculty. This interview will provide you with an opportunity to discuss program requirements, curriculum, nursing and your ability to complete a course of intensive study.

7. Complete any required prerequisite courses. All prerequisite courses and the baccalaureate degree must be completed prior to beginning the Accelerated Option.

ADDENDUM

The following items of business were also conducted:

1. Though the Committee approved the new accelerated degree plan for Nursing on its academic merit, concerns were raised about its economic feasibility because the program will necessitate the hiring of one new nursing faculty member for every eight students. A memo expressing these concerns was sent to the provost.
