### **Addendum**

Dr. Eaton came before the committee to address issues that had arisen in the 5/6 meeting about the Emerging Scholars 101. Many of the same issues of 5/6 meeting were clarified. In particular, Dr. Eaton did assure the committee that this was a governing mechanism that was workable in this setting. Also, the Emerging Scholars program was a growing and changing program; therefore, a mechanism may have to be tried in order to show its merit. The proposal was then brought to a vote with a majority in agreement to accept the creation of ESPR 101.
