SCIENCE MEETS ARE ATTENDED BY MISS WOLFE

Miss Kathryn M. Wolfe, head of the biology department, has had the privilege of attending two science meetings of state and national interest during the past few weeks. March 15-17 she attended the Louisiana Academy of Sciences at Baton Rouge where she presented a paper, "More Science Needed in the Grammar Schools." In commenting on this paper, Mr. G. O. Houston, managing editor of Louisiana Schools, the official publication of the Louisiana Teachers Association, says:

"I have read with a great deal of interest your paper, 'More Science needed in Grammar Schools,' delivered at the annual meeting of the Louisiana Academy of Sciences. This is an unusual presentation of the question."

While in Baton Rouge Miss Wolfe was the guest of Dr. Ellinor H. Behre, vice president of the academy, and Mr. and Mrs. F. J. Meehlin of Baton Rouge. Miss Wolfe taught with Mr. Meehlin in the department of chemistry at the University of Kansas.

March 26-30 Miss Wolfe spent at St. Petersburg, Florida, attending the 87th annual meeting of the American Chemical Society. From the time registration began until the close of the meeting, the program was filled with interesting addresses, luncheons, dinners, receptions, golf tournaments, and sight-seeing trips. On account of the large number of papers presented at these meetings the program had to be divided into sections. One attended the section in which he was most interested. At one time there were sixteen different sectional meetings. In the evening there were lectures or receptions to which the wives of the chemists were invited. Miss Wolfe attended the division of physical and inorganic chemistry, where she heard the discussion on the third isotope of the element hydrogen to which the newspapers referred as "heavy water." She also heard one of her former professors, Dr. H. B. Weiser, chairman of the Department of Chemistry, Rice Institute, and editor of the Journal of Physical Chemistry, discuss "X-Ray Studies of the Hydrated Oxides," and "A Possible Source of Error in the Interpretation of Dehydration Curves."

One evening lecture of popular interest was given by Dr. Marston T. Bogert, Columbia University. It was entitled, "Your Nose Knows." It dealt with the value of perfume in the selling of various articles. Dr. Bogert predicts that in the near future everyone will buy linoleum and other household articles by odor, and man will select his wife by the kind of perfume she uses. Preceding this lecture, a half hour of beautiful music was presented by the University of Florida Glee Club.

In addition to the program for members of the society there was an

INTERESTING TALKS
IN LIBRARY MEETING

At the regular monthly meeting of the Library Club, Friday, March 29, the new members were present for the first time. Four interesting talks were given by members of the club about Louisiana Libraries.

All new members and the majority of old members were present. During the business session, the club decided to have a picnic Saturday, April 14th, at the Bernstein place on Bayou Desiard. After the business session four talks were given. First, "Parish Libraries in Louisiana," by Miss Achsah Belt; second, "The Bookmobile in Louisiana," by Julius Cahn; next, "The Louisiana Library Laws," by Miss Swineboard; and last, "The Advantages of the Country Library," by Mrs. Lambert. Each talk was well given and contained many interesting facts about the betterment of our library system.

The new members present were: Vera Smith, Juanita Anthony, Elsie Auld, Priscilla Butler, Mary Lou Herring, Sybil Johnson, Frances Jones, Neina McDonald, Karl Kraft, Louise Wood, Minnie E. Rhodes, Mrs. Williamson, Margie Taylor, Margaret Coats, Kathryn Coats, Dorothy Flanagan, Beatrice Forrest, Virginia Zeagler, Eileen Hemler, Hazel Beard, Virginia Gray, Gracebell Green, Onis Hammett, Mabel Bunt.

SPEECH CLUB HAS "BELIEVE IT OR NOT" PROGRAM FRIDAY

(By Virginia Zeigler)

The Speech class rendered its regular weekly program Friday, March 9, under the direction of Mrs. Alexander. Walter McGee acted as chairman. The content of the program dealt with Ripley's "Believe It Or Not." Many very interesting and startling stories were told. The "believe-it-or-not" that aroused the most interest in the class was given by Chairman McGee. He said that Alexandria, Louisiana, a city with a population of 26,000, does not have a cemetery, and all Alexandria people finally end in Pineville, since the nearest cemetery is there.

ROGER C. FRISBIE IN ORGAN RECITAL

A Lenten organ recital by Prof. Roger C. Frisbie, organist, and assisted by Miss Arne Marshall, soprano, and Mrs. Hadley Leavell, alto, was rendered at Grace church on Wednesday, March 21, 1934, at 8 p. m. The program was as follows:

Organ Fanfare (Lemmens); Communion in E Minor (Batiste); Intermezzo (Callaerts).

Vocal—Spirit of God (Neidlinger), Miss Anne Marshall.

Organ—Sketches of the City (Nevin)—The City From Afar Off, On the Avenue, The Grandmother, Urchin Whistling in the Street, The Blind Man, In Busy Mills, Evening.

Vocal—The Cross (Ware), Mrs. Hadley Leavell.

Organ—In Alabama (Lester); Grand Choeur (Faulkes).

Organ—Berecuse (Dickinson); In Moonlight (Kinder); March Pontificale (de la Tombelle).

MAGAZINE COVERS FOR THE LIBRARY

In response to President Colvert's suggestion about the various organizations making gifts of magazine binders to the library, the Y.W.C.A. and the Y.M.C.A. have paid for a binder. The Junior College P.T.A. of last year gave a check to be used for this purpose. Some other college organizations have signified that they also plan to present binders to the library. The magazines can be kept in much better condition if protected by the magazine covers.

DRAMATICS CLUB ELECTS OFFICERS

On Tuesday, January 3rd, the Ouachita Junior College Dramatics Club found it necessary to elect new officers because of vacancies. Miss Eleona Brinsmade, former president, on account of the illness of her father, has withdrawn from college. Mr. Eddie Vorhoff automatically became president. Miss Mildred Breard was elected vice president, and Mr. Julius Cahn was elected secretary, as Miss Alice Dainwood also found it necessary to offer her resignation.

Miss Clarissa Davis gave a talk on the life of Margaret Sullivan and her fight for fame. Miss Mildred Breard read a magazine article which gave us many interesting facts about the life of Helen Hayes, the actress.

CLASS OF 1934 WILL DONATE ENCYCLOPEDIA

The Class of 1934 voted to make their farewell gift to their Alma Mater in the form of money to be expended for the purchase of a number of volumes of the "Social Science Encyclopedia" for the college library. The American Library Association's publication "List of Books for Junior Colleges" indicates that this set is indispensable to the junior college. It is the first comprehensive encyclopedia of the whole field of the social sciences. It was projected and is being prepared under the auspices of the following learned societies:

American Anthropological Association; American Association of Social Workers; American Economic Association; American Historical Association; American Political Science Association; American Psychological Association; American Sociological Society; American Statistical Association; Association of American Law Schools; and the National Education Association.

Dr. Edwin Seligman of Columbia University is editor-in-chief of this scholarly work. It was begun in 1930 and several volumes are issued each year. The Senior class is making it possible to have five or six of these earlier volumes. It is hoped that other graduating classes will follow the excellent precedent set by the Class of 1934 in making such a worthwhile gift to the library.

MUSIC GRADUATES IN FIRST RECITAL

On Tuesday night, April 3, the Conservatory of Music, under the direction of Roger C. Frisbie, presented Miss Nellie Breard, contralto, and Miss Joy Griffing, pianist, in recital at the Junior College auditorium. The stage, banked in beautiful spring flowers, was a perfect setting for the first graduate recital of this college. Miss Breard and Miss Griffing are the only students of the music department to receive a diploma in voice and piano. The program, beautifully rendered, was as follows:

Sonata in C Sharp Minor, Opus 27, No. 2 (Beethoven), Adagio Sostenuto, Allegretto, Presto Agitato.

June's First Rose—Coates.
Dreams I Have Dreamed—Erdody.
To The Sun—Curran.
Hark Hark The Lark—Schubert-Liszt.

To A Wild Rose—MacDowell.
To A Water Lily—MacDowell.
Valse in E Minor—Chopin.

My Heart At Thy Sweet Voice (from "Samson and Dalilah")—Saint-Saens.
Sylvia Speaks.
Homing—Del Riego.
Duet, March Slave—Tchaikowsky.

MINSTRELS SCORE SUCCESS WHEN PRESENTED TO LARGE AUDIENCE

Miss Nellie Breard

FACULTY MEMBERS TAKE PART IN FINE ARTS CLUB PROGRAM

Two prominent members of the Junior College faculty thrilled an enthusiastic audience on the evening of April 9. The occasion was the monthly meeting of the Fine Arts club of Monroe.

Mrs. Bess Crider Penick, head of the English department, read several of her original poems. The settings of the selections read varied from the historic landscape of Maryland to the purple haze of a California twilight. All the poems were enthusiastically received. Mrs. Penick proved herself to be a poet of unusual talent. Her verses breathed the warm sweet fragrance of nature's loveliness. They showed a fine artistry in expression, and a rare appreciation of beauty. In style they were a combination of mid-Victorian and modern verse.

Mrs. Alexander gave two readings, the first a charming story of the Revolutionary period, and the second a splendid interpretation of Amy Lowell's "Patterns." Mrs. Alexander's skill is well known in these parts. Her program was an example of her ability to attain dramatic excellence.

The meeting was held in the home of Mrs. J. Noble White.

Show May Be Taken To Rayville

The College Minstrels gave the best performance in the minstrel history of the college when they presented their annual show in the auditorium Friday night. Under the direction of Miss Anne Marshall it moved through three acts of fun and fancy with a smoothness seldom seen in amateur performances. There was not a lagging moment from the first time the curtain went up, as the ensemble supported all the feature acts in a splendid manner. Miss Marshall stated that the smoothness was largely due to the cooperation of Helena Hayward, Mary Frances Hondlink, Martin Webb, George Hunter, and Delbert Colbert; and we suspect that Coach Kemmerer was not lacking in using his helping hand also.

Music for this occasion was furnished by Milton Coverdale, Jr., and his fifteen-piece band. The numbers that were rendered were greatly appreciated by the audience, and they contributed a great deal toward the success of the minstrel.

Feature entertainers in the first act were James Cavaness, Clarice Roan, Eddie Vorhoff, Golda Breece. Black face numbers were given by Leo Ticheli, Jason Berry, John Frantom, J. N. Davis, Nellie Breard, Virginia Zeagler, and Alyse Watson. Nelson Bland was the able interlocutor.

During the intermission, "famous crossings" were burlesqued by Ed Gill as Moses, J. D. DeBlieux as "Caesar," Burdette Trichel as "Eliza," Kurl Stevenson as "Washington," Ralph Davis as "Lindbergh," and Dewitt Embry as a pedestrian.

The second act showed a garden scene with beautiful girls posed in graceful setting. Sara Mae Adams and Nelson Bland sang "Make Hay While the Sun Shines" followed by Carl Davis, who presented an "Incident in the French Camp." Other specialties in this act were presented by James Cavaness, Golda Roan, and Beatrice Rhymes.

Christopher Columbus, played by Henry Florsheim, Queen Isabella by Kathryn Adams, and King Ferdinand by Julius Cahn were cleverly burlesqued in the last scene. Tony Lewis and Leo Ticheli played the slaves, Dan Moore, the page, and Walter McGee was the Indian Chief. Daniel Boone was portrayed by Risdon Wood, while Louise Crymes was Pocahontas.

Ladies of the ensemble were Lois Bushnell, Elizabeth Cudd, Beatrice Forrest, Sara Moffet, Mildred Breard, Kathleen Crow, Neina McDonald, Louise Wood, Sara Mae Adams. Men of the ensemble were Jesse Norris, Tommy Zeagler, S. M. Sevier, Kent Breard, Ivy McDonald, Marion Gilliland, John Devereaux, Eddie Vorhoff, James Cavaness, and Nelson Bland.

The "Alma Mater" of the Indians was given as the grand finale.

C. P. BREWER TALKS AT Y.M.C.A. MEETING

The Y.M.C.A. sponsored the assembly program for this week and had C. P. Brewer of L. S. U., to speak to the entire student body. His talk was entitled "The Three Great Factors in the University of Life."

At the previous meeting, the "Y" completed the final steps to buy a magazine cover for the library. Mr. T. Harris Tyson spoke to the members on "Has the Y.M.C.A. Justified Its Existence?"

The Senior class met April 5th in the auditorium, with Mr. Tommy Zeagler presiding. Election for Commencement and Class Day speakers were as follows: Commencement speaker, Miss Clarissa Davis; class historian, Mr. Walter McGee; class prophet, Mr. James Tisdale.

Miss Baker and Miss Turner were hostesses in a delightfully arranged coffee hour Thursday afternoon in the cozy new faculty room. The little party preceded the regular faculty meeting. Mrs. Colvert was an invited guest. The hostesses served nabisco cakes, cheese sandwiches, pickles, and coffee.

BE PUNCTUAL

Be punctual!
Wherever we find the wheels of industry turning, business moving ahead, or wherever we find people fired with ambition, we find punctuality back of it. The world cannot go on without punctuality. We may think it is important for persons in the commercial world to be punctual at appointments, and at the office. It is important. But where did these persons learn their lesson? Some learned it at home, but the majority learned it during school and college days.
The person who is on time is the ambitious person, the interested person, and the dependable person.
Please let's remember this when we are asked repeatedly to order class jewelry, invitations, or to discuss matters with the registrar that concern us.
To be punctual is to move ahead. No one gets anywhere by being the last one on the scene.
Let's hope the Pow Wow staff is not superstitious. We are publishing issue No. 13, on Friday, 13th.

Those enjoying a delightful week-end in Ruston were Joyce Renwick, Ruth Albritton, and Grace Green.

JOYS OF PRACTICE-TEACHING

(By A Victim)

Teaching is a problem—
It makes my brain grow dim.
Questions all day long!
Fixing what is wrong.

"May I sit where I can see?"
"What can my lesson be?"
"James hit me on the head!"
"Wish I was home in bed?"

"May I be excused?"
"This book has been used."
"Stop tearing up your papers,
And doing those funny capers!"

"What is the meaning of this word?"
"Oh, did you see that pretty bird?"
Marbles dropped by noisy Clyde,
Naughty Tom trying to hide.

"Can 'me' and Dorothy pass the books?"
"Yes!"—And then disdainful looks
From pupils who won't soon forget
That blue-eyed Dorothy is the pet!

"Don't pass your papers now."
I rub my aching brow!
"Everybody get quiet!"
"Tom get out of Harry's light!"

"Stop making that unearthly noise."
"Stay in—you three boys!"
"Leave the room, Ed—"
"Oh! Oh! My head!"

And at night when I go home,
It's good to be somewhat alone.
But in my dreams I feel like a fool!
I awake to find I've been teaching school!

OHI, PREXY!

Is Mr. Smith blushing? And how!
One of his bright pupils, Robert Sims, spoke right up when Napoleon and Josephine were mentioned and asked, "Who was Josephine?"

COLVERT'S CORNER

College Spirit, what is it? It is an indefinable atmosphere which surrounds a student body and faculty and commands admiration, respect and loyalty.

As seniors, you are about ready to leave the college. Your idea of college spirit you leave with us. You are our leaders in the college.

As juniors you are almost seniors. What college spirit, as defined above, have you to instill and teach to those juniors of ours who will be with us next September?

This is something worth thinking about. —C. C. COLVERT, President.

SOFTBALL LEAGUE BEGINS PLAY

League Composed of Four Teams Start Schedule Wednesday

An intramural league softball schedule has been completed and the four teams comprising the league will begin play this week and will continue until May 7th. Each team plays six games, meeting each other twice, and after this, the two top teams with the highest percentage will stage a two out of three game series for the league pennant.

The teams this year should all be on par with one another. After the four captains were picked, they were given their choice in order and the players were arranged on the list so that no captain would be given the opportunity of selecting the outstanding players of the college.

Marion Gilliland will head team No. 1; Tony Lewis, No. 2; Hodge Mason, No. 3; and Clyde French, No. 4. The captains were picked on their merits as softball players, and will allow a more competitive spirit to prevail among the players, as no one team will have all of the outstanding players.

The league will operate under the rules adopted by the City Twilight League.

- The schedule:
- April 11—No. 1 vs. No. 2.
 - April 13—No. 3 vs. No. 4.
 - April 16—No. 1 vs. No. 3.
 - April 18—No. 2 vs. No. 4.
 - April 20—No. 1 vs. No. 4.
 - April 23—No. 2 vs. No. 3.
 - April 25—No. 1 vs. No. 2.
 - April 27—No. 3 vs. No. 4.
 - April 30—No. 1 vs. No. 3.
 - May 2—No. 2 vs. No. 4.
 - May 4—No. 1 vs. No. 4.
 - May 7—No. 2 vs. No. 3.

YOU FIGURE IT OUT

Here we have a chart in which the outstanding traits, habits, and characteristics of several inmates of this institution are listed. You, too, may work out this chart: Place 3 lines under the most important, 2 lines under the next, and 1 line under the third important fact.

TENNIS TEAM LOSES TO LA. COLLEGE, 7-2

The Ouachita Junior College tennis team lost their initial match at Forsythe tennis court Friday, to a superior team from Louisiana College. The local squad won only two of the seven matches played.

Ouachita's lack of practice was easily shown, but some promising talent was unearthed, and with more practice, Ouachita should be able to hold her own.

In the only singles match won by the Indians, Henry Florsheim defeated J. Crowell, number one man of Louisiana College 6-4, 6-3. Crowell took an early lead in the first set, leading at one time 4-1, but Florsheim took the next five games to win the set.

The number one doubles match was probably the best played and most exciting match of the day. Elizabeth Kennedy and Henry Florsheim defeating the Louisiana College entries 8-10, 9-7, 6-3. This match was a see-saw affair all the way through, first one team, then the other forging into the lead. Three times Louisiana College was within one point of winning the match in the second set, but Ouachita finally battled their way to a win in the second set. The locals easily won the third and final set from the fast tiring collegians.

The results of all the matches: Florsheim defeated Crowell 6-4, 6-3. Williams lost to Hixson 3-6, 7-5, 6-4. Breard lost to J. Herndon 4-6, 7-5, and 6-3.

Sandel lost to Archibald 6-4, 6-2. Reynolds lost to H. Tolliver 8-6, 6-2. Reynolds lost to H. Tunun were; Florsheim and Kennedy defeated Crowell and Hobson 8-10, 9-7, 6-3. Williams and Breard lost to Archibald and Herndon 2-6, 7-5, 6-3.

CHAMPIONS RECEIVE BASKETBALL TROPHY

The intramural basketball trophy was presented to Burdette Trichel, captain of the championship team, last week. The trophy, a fifteen inch silver statuette of a basketball player holding a ball, is mounted on a three inch black pedestal. The trophy is on display in the athletic office, and was donated to the basketball league by the athletic association of the college.

The engraving on the cup contains the names of the whole squad with intramural champions of Ouachita Parish Junior College on a silver band around the base.

INDIAN NETTERS PLAY VICKSBURG

Squad Will Leave Saturday For Match With Vicksburg A. C.

After losing their first match of the year to the Wildcats of Louisiana college, 6-2, the Indian netters will leave Saturday morning for Vicksburg, where they will take on the tennis squad of the Vicksburg athletics club. Play will begin at 2:30 p. m. on the city playground courts in the Mississippi city.

Vicksburg A. C. has a brilliant squad of players this year, and if the Indians expect to take the meet, they must show better playing form than was displayed against the Wildcats last Saturday. The Vicksburg club last week defeated Millsaps 6-1, and made a clean sweep of the matches against Mississippi College, winning 7-0.

The local squad has been working overtime this week trying to polish their form so that the mistakes which occurred last week will not be made again. Every player has been kept out until dark trying to catch up on the badly needed practice.

Elizabeth Kennedy will be the only girl on the squad that will make the trip and she will team up with Captain Henry Florsheim in the men's doubles.

The party will leave by automobile at nine o'clock Saturday morning. The players that will make the trip are Henry Florsheim, Fred Williams, Kent Breard, Percy Sandel, John Reynolds and Elizabeth Kennedy.

other program planned by the women's clubs of St. Petersburg to entertain all the ladies—both women chemists and chemist's wives. This program was planned for every hour of the five days of the meeting beginning with a reception and musicale at The Vinoy Park Hotel on Sunday, March 25, 1934. Favors were tung oil blossoms with the compliments of Williamson Company, Gainesville, Florida. Souvenirs of whisk brooms to the men and Florida pottery filled with guava jelly to the women were presented to each member of the society by the Florida Section of the A. C. S., who was the host to all the other sections. Talks were given to the ladies on such topics as "Florida Gardens and Flowers," "Florida in the Confederacy," "Florida's Art Galleries," "Florida's East Coast," and "Florida's West Coast." Two interesting events were a musical program and tea tendered by the Careno Music Club at the Suwanee Hotel ballroom, and a reception and Shakespearean pageant on the banks of Mirror Lake given by the St. Petersburg Junior College. Another delightful trip was a seven-hour bus tour through the orange and grapefruit groves laden with blossoms and ripe fruit over the Gandy Bridge to Tampa and on to the famous Bok Tower, also called the Singing Tower, where a program was rendered by the Yale Glee Club and by Anton Grees, noted Belgian carillonneur. Everyone agreed that the Florida section was a royal host. Miss Wolfe was the guest of Mrs. S. M. Downing of Monroe and her sister Mrs. E. Moore of Hutchinson, Kansas, who have spent the winter in Florida. She also spent one night with Mr. and Mrs. R. A. Duncan on Treasure Island. Miss Wolfe and Mrs. Duncan taught together at Galloway Woman's College. Mr. Duncan is chief chemist in the process development department for Proctor and Gamble at Cincinnati, Ohio. Miss Wolfe met many of her former professors of chemistry, and others she knew, including Drs. Coates and Choppin of L.S.U. The society adjourned to meet at Cleveland, Ohio, in September, and New York next March.

SCIENCE NOTES

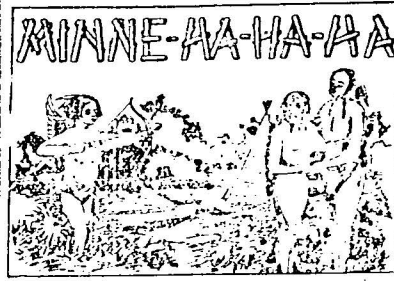

Miss Maude Warner, one of our second year pre-med students received a letter a short time ago from the Medical Center of the Louisiana State University, New Orleans, which notified her that she had been accepted for admission to the first year medical class for the coming year, dependent only upon the successful completion of her work here this semester and the required work in organic chemistry. Congratulations, Maude!

Miss Mary E. Larson, Head, Parasitology department, the University of Kansas, has presented some excellent slides to our Department of Biology illustrating some new technique in the use of dyes on human material such as the oesophagus, trachea, and thyroid gland on one slide. Miss Larson studied slide technique at the University of Upsala, Sweden. Most of our microscopic slides have been prepared by Miss Larson and her sister. We will soon have enough to favorably compare ourselves with any other department offering first-year and second-year biology.

Mr. J. W. Cunningham, one of our graduates, was to have taken a picture of our P.C.B. club at the activity period Tuesday. Owing to the rain, this has been postponed. Look for the notice on the bulletin board, first floor, for the announcement. We are very desirous that every member be in the picture. Look for other interesting announcements about this active group from time to time.

When you enjoy the flower bed in the circle at the back of the building, give credit to the nature study class from last year for the starting toward beautification and to this year's class for continuation of the work.

Harold Fink has gone into the frog business. He has caught about 100 fine bull frogs and is selling the same at twenty cents each. Miss Wolfe's zoology section has been studying their jumping and swimming habits.

Did you know that a certain gal of the darker variety fell madly in love with our "black face" Frantom the other night?

The fair visitor, better known as Helen Sproles, caused some heart palpitation at the g-r-r-r-eat Institution of Learning Friday.

Did you see that wild look in Chrissy Columbus' eyes Friday nite? Do you s'pose Poky could have caused that? Information, please!

Do you s'pose Dot Kizer could rate a date with "Pale Moon" Gilliland, or Marvin Shipp, so she could recite poetry and be appreciated? You know poetry is the language of love!

Ella Mae Herrin has a new name—"Fuzzy."

Ask D. Wroten if she went on a weiner roast Tuesday nite?

What's this, B. H. Myers, about that

"Fair" co-ed at Neville?

Why is Kat Crow not going to Natchitoches?

What in the world is the matter with Carl Davis? Goes around saying, "you!" every time anyone touches him?

There are only two solos left in the great Jr. College Walkathon. They are H. Dickard and E. Stokes. Wonder which will win.
