"Rock 'n Roll" Affair

NL Club Dance Scheduled March 29 in Gymnasium

by Tony Peccon

It's dance time, Friday, March 29 at the College gymnasium when the Lettermen's Club presents the Five Fellows in their annual NL Club dance.

As in the past, the NL Club dance should be an outstanding event of the Spring semester, according to President Jimmy Berry.

This year the lettermen are featuring an informal "rock 'n roll" affair with the music of the Five Fellows. This band was formerly known as the Red Hot Blazes from Greenville, Miss.

Students from the Lake Providence and Tallulah area will recognize the type of red-hot entertainment they provide. Also featured will be a variety of dance acts, musical and vocal solos.

Climaxing the occasion will be the announcement of the lettermen's sweetheart at intermission.

Cheerleaders will decorate the gym with colorful paper streamers. A large crowd is expected to attend the gala occasion, and Dean Christine P'Simer has granted permission for girls on campus stay until the dance is over.

Tickets can be purchased from any member of the Lettermen's Club until Friday night, or they may be obtained at the door. Admission is \$1.75 per couple and \$1.00 for stags. The money will go to the NL Club fund which offers aid to athletes and sponsors club activities.

Phi Lambda Tau To Hold Formal Saturday Night

The roof of the Frances Hotel will be the scene of the Phi Lambda Tau spring banquet and formal, which will begin at 7:00 Saturday night.

Dr. Henry Saesger will be the guest speaker at the banquet and Miss Betty Bandy, Phi Lambda Tau member, will be the master of ceremonies. Guests will be entertained by the "Warblers" a pledge quartet. The banquet will end at 8:30, and the dance will begin at 9:00.

Phares Corder and his Orchestra will furnish music for the dance. Phi Lambda Tau extends an invitation to all members of Phi Mu, TKE, and Kappa Alpha to attend the dance.

Addition Begins On Building Here

Work has begun on a new addition to the Fine Arts building. The plans call for 20 new practice rooms, four studios, a student activity area, and ample quarters for the band and orchestra. The enlargement will join the rear of the building and will not affect present classes in the building.

Dr. Harry Lemert, head of the department of Fine Arts, expressed hope that the building would be ready for occupancy by the spring semester, 1958.

W. C. Salley, local contractor, is the builder and Paul Stewart of Monroe is the architect.

Cheerleader Practice Begins Here Monday

Candidates for cheerleader are scheduled to meet in Brown Auditorium 3:30 p. m. Monday to begin practice. Selection of the girls who will serve as cheerleaders will be done by vote of the student body in about two weeks, Bobby Oden, student body president said. Lillian Price is in charge of details.

Candidates are: Linda Living.

THIS IS a scene from last years Phi Mu Alpha-Sinfonia dance. Above are Howard Jackson and David Tschabold, who plan to render another number tonight. Also on hand for the floorshow will be the "Phi Mu Alpha Chorus Girls".

The dance is slated for tonight at 8:15 in the Gym. Tickets are \$1.00 for couples, \$1.50 for stags and \$.50 for high school students. Jack White and "The Redmen" will furnish the music for this gala event.

This event was the first in a series of student recitals to be presented this semester.

Spelling Course Needed

(ACP)—The University of Connecticut DAILY CAMPUS urges a new compulsory course—spelling—and gives some reasons why.

There are a number of compulsory courses, some that serve their purpose and some that don't, but there is one that should definitely be offered to students if we are to end a problem that plagues a large percentage of the student body. We speak of a course in elementary spelling, and the problems in spelling today.

A frequent reference made today when discussing the educational training of American students concerns the prevalence of poor spelling among high school and college graduates. And judging from our own observations and remarks made by instructors at the University, students here rank with the best when it comes to misspelling words . . .

Poor training in the elementary school may be at fault, but it is not altogether to blame . . .

The whole problem can be summed up in one sentence: words are an inexhaustible supply of knowledge, but the average student of today seems to be too exhausted to bother with them.

Money For Sports or Scholastics?

(ACP)—Typical example of student concern for getting and keeping good faculty members in their schools is this article.

"Recently Iowa State hired a new football coach for a reported \$14,000," says the Iowa State College DAILY, and at the University of Iowa the coach gets \$17,500.

The only state employees receiving more than the university coach, the newspaper points out editorially, are the presidents of the university and of Iowa State. This prompts many educators to wonder: Are we getting a fair share of state salary increases?

The answer to the educators' problem may come this month the DAILY continues, "when the state legislature takes up the budgets and salaries for the state institutions. If the salary increases are approved by the legislature, then we may eliminate the crisis of maintaining adequate teaching staff . . .

"Most of our staff members have proved their value . . . Giving these people salary increases is not a gamble . . ."

In an afterthought, the DAILY reflects, "Perhaps we sports fans have brought this on ourselves. It's never too late to stop and evaluate our spending. Emphasis should be given, where it is justified. Salary increases for educators are long overdue."

Notice to Seniors

Seniors scheduled to graduate at the end of the Spring semester are required to obtain graduation certificates from their respective department heads, Dr. Clint Hanna, director of admissions and special services announced this week.

Measurements for caps and gowns will be taken at the Admissions Office, Dr. Hanna said. Seniors should take care of these details as soon as possible, he added.

Letters to Editor

Dear Mr. Editor:

As Northeast grows into the type of college at which a student may acquire the ephemeral qualities of early maturity and intellect that denote people of higher education it is rather evident that a small, but growing segment of our coed enrollees haven't learned that rings should be worn on one's fingers and not to be suspended on a chain around one's neck. This sophomoric trait characterizes a social maturity that was stunted at graduation from high school. A girl supposedly leaves this custom to age of too-tight blue jeans and bubble gum.

Since grooming is a woman's biggest asset in the humdrum monotony of classes, why, may I ask, does she defeat her efforts by wearing a twenty karat blob of metal around her neck? In my opinion, it would look better in her nose.

Yours truly,

(Name withheld by request)

Ed. note—People who are trying to acquire ephemeral qualities, (ephemeral: beginning and ending in a day; hence, short-lived—Webster) please note: the spelling is not evident, but evident; it is not sophomoric, but sophomoric; and the preferred usage is not karat, but karat. To the writer: are classes hum-drum to intellectuals too?

Test Week Next Week

Next week (March 25-30) is nine weeks test week. Dr. Clint Hanna, director of admissions and special services, reminded students and faculty members.

Tests are to be given at regular class periods during the week, he said.

Baseball Opens Saturday

INTRAMURAL CHAMPS—This girl's intramural basketball team won first place in the intramural basketball league by taking two tourney games after drawing a first round bye. They won their first game by a 48-35 count and then won 42-37 after going into overtime in the finals.

Left to right, front row: Jane Sevier, Dot Phillips, Coneil Hammon-tree, Barbara Griffin, Millie Roberson.

Back row: Lou Sheppard, Donna Holderman, Ann Ivey, Dee Barksdale, Betty Osbon.

Intramural Hi-lites

Vining and Mattison Win In Table Tennis Tussles

Table tennis tussles have passed the second round with two winners posted. Randall Vining tossed Charles Vining for the count and J. Mattison beat out Robert Smith. At press time there was no winner listed for the Jungina-Maroney and Graff-Tucker contests.

The intramural softball league, due to start soon, has copped five teams so far with more to follow. Waiting for the opening whistle are the Kruds captained by Ralph McNabb; TKES headed by Rodger Robinson; Gemstones with Billy Graff at the helm; Wreckers led by C. W. Wheeler; Kappa Alpha with boss Mike Boggs.

The softball area is in good shape now, but Dr. Carl Meeks, director of intramural athletics, cautions students not to drive across the playing area. The field is difficult to maintain.

The intramural basketball league is drawing to a close with the final playoffs in sight. All games are normally played at 4:30 p. m. but in order to speed the league to a close, games are being scheduled at 6:00 p. m. every Monday, Tuesday, Wednesday, and Thursday.

What should prove to be the

most exciting contest of all will be played on April 4 when the league champs meet the league "All Stars". The "All Stars" will be selected by the individual team. The captains are requested to turn in the names of the five best players in the league. The ten players receiving the most votes will constitute the "All Stars".

Basketball contests for next week beginning Monday, March 25 and extending through Thursday, March 28 will be: Rinky Dinks vs. TKES and Wreckers vs. Outcasts; Aces vs. Gemstones and Gophers vs. Indians; Wreckers vs. Rinky Dinks plus Aces vs. Outcasts; and on March 28: Indians vs. Gemstones and Gophers vs. TKES.

It is not too late to submit your entry for the softball league. An early submission date will insure a speedy start.

Tribe Battles Delta State In Initial Encounter Here

The Indians of Northeast Louisiana State College plunge into a 19-game schedule here Saturday when they take on visiting Delta State College in the season opener.

A tussle within their own teepee will be evident in addition to the Tribe's battle with the stickmen from Cleveland, Miss. Coach George Luffey has told his players that none of the positions are nailed down and some will be open right up until game time at 2:30 p. m.

The only starting performer that the Northeast mentor has announced is pitcher Billy Joe "Bo" Laird, the All-GSC right handed fast-baller.

Laird is scheduled to pitch the first three innings and will be followed on the hill by moundsmen selected from a corps made up of southpaws Jackie Norman and Jay Gross, and portsiders Larry Clemmens, Carroll George, Lyle Dorsey, Jim Mahoney, and Barr Tavior.

"The pitchers have looked particularly impressive in workouts and we will probably be stronger on the mound than at any other position," Luffey commented.

Hitting, which has been a weakness of recent Northeast teams, still is a question mark, but should be a good deal better than it was last season Luffey believes.

Luffey says he will have to decide between catchers Ray Hopper, a regular last year, and Guv Gannaway, returnee from service, as to who will handle the backstopping chores.

A real fight also is shaping up at third base with three top-flight players in contention. Harry Rushing, Gary Huckaby and Homer Rouse have looked very good in workouts at the third sack.

Others on the Indian roster are:

N'East Student Wins Commission

A Northeast student, Robert V. West of Monroe, was recently commissioned a second lieutenant in Company K, 199th Infantry, in a ceremony conducted at the National Guard Armory in Monroe. Lt. Donald L. Jones, company commander, pinned on the gold bars of his new organization officer.

He is a junior, majoring in geology.

Lieutenant West enlisted in the National Guard in 1950 and later enlisted in the Regular Army, spending three years in Korea and Japan in the Artillery branch, where he was discharged as a sergeant.

Peacock, Fails, Laudadio, catchers: Brooks, Freeman, Hughes, Reynolds, Cousino, Walters, Estep, Wactor, Aulds, infielders; and McMullen, Street, Cousino, Walters, Estep, V. Freeman, McDonald, Bruscato, Goins and Mock, outfielders.

Luffey plans to cut the roster before game-time and again after two or three games.

Coming games:

March 26—Delta State There
March 30—La. College Here
April 5—Northwestern Here
April 6—Southeastern (2) Here

Northeast Student Attended Several Foreign Schools

by Marcia Faulk

Northeast has a number of students with interesting and unusual backgrounds who give our campus a cosmopolitan touch and definite proof that our college is fast becoming one of importance.

One such student is Don Beadle, a sophomore business major, whose father is a career man in the United States Air Force.

Don was born in Highlands, North Carolina, and attended grammar schools in Montgomery, Alabama; Las Vegas, Nevada; Rome, New York; Sacramento and San Francisco, California; Hobbs, New Mexico and other places—once he attended five different schools in one year—junior high and high school in Anchorage Alaska; Fayetteville, North Carolina and graduated from Seawanhoe Military Academy in 1954.

This summer he plans to visit his father, mother and 10 month old baby sister in Tokyo, Japan, and return to Northeast next Fall. He spent six months in Japan last year, learned to speak Japanese, and commented that the upper class Japanese girls are good dressers.

He remarked that in Alaska he went skiing often and had ridden on a dog sled. Mexico, Hawaii, and Canada are also included in his travels.
