## Homemakers Slate Meeting For NLSC

### Former Ad Man Continues Sales For Ensemble

(Editor's Note—Former Pow Wow business manager and now lieutenant on active duty with the U. S. Army in Europe, Doyle Malone wrote the following letter to Northeast State News Bureau Director James R. Parrish. Still interested in advertising, for which he won the Monroe Ad Club's Ad Man of the Year award, he is selling the Northeast Jazz Ensemble appearance at Orleans, France. Malone is a graduate of the Northeast ROTC program.)

20 February 1963  
Orleans, France

Howdy Red,

Received your letter along with another issue of Pow Wow last Monday. Sure was nice to receive both. The Pow Wow contained picture of the Jazz Ensemble.

Guess what? Yes, they are to be here in Orleans, the 23rd March. It's gonna be ole home week that day for sure.

This Bird Col. in charge of Special Services (USO) is a good friend of mine at church and I called him the other day, he gave me the details. He's from up above Bastrop, just across the state line in Arkansas.

We haven't traveled much as yet, right now its about five inches deep in snow and still snowing. I understand this is really a bad winter for this part of the country. . . . After the Jazz Ensemble in March, we may visit Barcelona, Spain, and the Island of Meyorker (Sp.?) Dickie is reading up and trying to plan our vacation. . . .

Yes, I'm still getting the Pow Wow and still passing it around the Agency. Lots of people now plan to see the Jazz Ensemble. Usually the USO shows have small crowds here, but I'm laying on the advertising for the 23rd March. . . .

Your friend,  
Lt. Doyle R. Malone, 05412983  
U.S. Army OSCA R/P Branch  
APO 58, New York, New York

### Northeast Marchers Are In Mardi Gras

The Northeast Louisiana State College Band participated in the gigantic Mardi Gras Rex Parade in New Orleans last Tuesday.

Joe Barry Mullin, director, and the students left Monroe Monday for New Orleans and the festival.

## LaGrange High School Again Wins Top Honors

LaGrange High School of Lake Charles repeated as sweepstakes winner in the annual Speech and Drama Festival at Northeast Louisiana State College last Friday and Saturday.

The Lake Charles school scored 120 points to edge Ruston, which scored 116. Fair Park was third with 110 points and Istrouma fourth with 104.

LaGrange won last year with 100 points.

Cor Jesu High of New Orleans won boys debating in the 11th annual Festival, attended by 29 schools. Cor Jesu's No. II debate team of Thomas Voelker and Richard Shanks was the only team to finish undefeated with a 6-0 record. Ruston II, Fair Park I and Fair Park II tied for second with 5-1 records.

St. Mary's Dominican I of New

Orleans won the girls' debating. The team was composed of Susan O'Boyle and Patricia O'Neil. Mt. Carmel of Lafayette No. I was second and Bossier and Natchitoches teams, both No. III, tied for third.

LaGrange was the winner in individual events with 55 points while Cor Jesu was second with 54 and Istrouma third with 51.

Individual events were oratory, oral interpretations, after-dinner speaking, extemporaneous speaking and radio speaking.

James W. Parkerson, associate professor of speech at Northeast, was festival director. He was assisted by George C. Brian, associate professor of speech; Claude C. Fuller, assistant professor of speech; and students majoring in speech.

**MARDI GRAS QUEEN**—Shirley Nelson, freshman from Bastrop, was crowned queen of the annual Mardi Gras Ball held on the Northeast campus and sponsored by Phi Delta Chi pharmaceutical fraternity. Shirley adds this title to that of the cutest freshman girl at Northeast last fall, and homecoming maid.

### 3,027 STUDENTS REGISTER . . .

## Enrollment Sets New Record For NLSC Spring Semester

With 3,027 students registered, an all-time high enrollment has been established for a spring semester at Northeast Louisiana State College, the registrar's office has announced.

The increase is a total of 301 or slightly more than 11 per cent over the 2,726 enrolled last spring when the previous high was set.

This spring's mark is an increase of more than 35 per cent over the 1,948 enrolled only five years ago and an increase of about 267 per cent over the 822 enrolled ten years ago.

Graduate school enrollment for this spring is 231, an increase of 61 or approximately 36 per cent over the 170 registered last spring. Current graduate enrollment is an increase of 12 students over the 219 students enrolled this fall, and normally all colleges expect a reduced enrollment during the spring semester from that of the fall semester.

The current enrollment shows 1,948

729 men students and 1,298 women students. There are 1,050 freshmen, 625 sophomores, 536 juniors, 585 seniors, and the 231 graduates.

A further breakdown of this spring's record-setting enrollment shows that the graduate class has 103 men and 128 women and is the only class where there are more women than men students.

Other classes have: freshmen, 594 men, 456 women; sophomore, 372 men, 253 women; junior, 324 men, 212 women; senior 336 men, 249 women.

## Executive Council Begins Sessions Here Tonight

Approximately 1,500 public school Future Homemakers of America will meet on the campus of Northeast Louisiana State College tomorrow.

This District II meeting of the Future Homemakers will be preceded by a meeting of the executive council of the Northern District of Future Homemakers of America tonight at 6:30 p.m. in the home management house at Northeast State.

## Beverly Sumrall Captures Title In Delhi Pageant

A Northeast State College freshman, Miss Beverly Sumrall of Lake Providence, was named "Miss Stock Show" last weekend at Delhi.

The 19-year-old speech education major at Northeast is the daughter of Mr. and Mrs. Woodrow Deal of Lake Providence. She did a dramatic reading in the talent division of the contest. Miss Sumrall, whose statistics read 36-23-36, was sponsored in the contest by the Monroe Junior Chamber of Commerce.

Another Northeast student, Gail Sawyer of Oak Grove, was named the first runner-up in the contest. She is the daughter of Mr. and Mrs. Tom Sawyer of Oak Grove. As did her fellow student, Gail did a reading.

Capturing third place honors in the contest was Glenda Sue Young of West Monroe. The daughter of Mr. and Mrs. W. H. Young of West Monroe did a toe-tap and baton twirl routine.

A Tallulah entry, Suzann Roy was named Miss Congeniality in the contest. Some 11 contestants were entered in the eighth annual competition sponsored by the Delhi Junior Chamber of Commerce and held in the Delhi High School Auditorium.

Crowning Miss Sumrall in the contest was the Stock Show president, E. W. Sehon.

Tomorrow's agenda includes registration, business meetings and a tour of the Northeast State campus.

Dr. George T. Walker, president of Northeast, and Miss Tommie Stockstill, president of the Northeast Home Economics Club, will welcome the Future Homemakers. Dr. Ethel Trice, associate professor of health and physical education, will be guest speaker.

Registration will start in the lobby of Brown Auditorium at 8 a.m.

Judy Lawrence of Baskin High School, president of the Northern District, will conduct the morning business session, which will include the election of officers.

Elizabeth Ann Barnard of Homer High School, vice-president of the District Homemakers, will be in charge of the installation of new officers in the afternoon meeting.

Meeting theme is "FHA Reflects the Future."

## College Conference Features President Of Education Group

Dr. Logan Wilson, president of the American Council on Education, will be featured speaker in the first general session of the Louisiana College Conference to be held at Tulane University in New Orleans today and tomorrow. Dr. Clint Hanna, dean of instruction at Northeast State and LCC president, has announced.

The two-day meeting also will have the Very Rev. Andrew C. Smith, president of Loyola University, as second general session speaker, with

(CONFERENCE, Page 4)

**SERVING THEMSELVES**—Students participating in the 11th annual speech and drama festival held recently on the Northeast State College campus served themselves at the Banquet held last Friday night in Gunby Dining Hall. Members of the Northeast speech department were in charge of the festival and were aided by speech students at the college.

# Editorial

With spring rapidly approaching, soon the grass will once again begin to cover the Northeast State College campus. However, we at Northeast can ruin the appearance if we really wish to do so.

This can easily be done by continuing to walk across the areas that have survived the growing pains of the college and by distributing our scrap paper all over the campus and not concentrating it in designated areas, known as trash cans.

In recent years, numerous articles have appeared in the Pow Wow concerning the subject of littering the campus. Students never really seem to realize the importance of keeping the campus attractive. If we are to have the grassy parts of the campus to keep it attractive, it is up to each student to do his part to keep it clean and give the grass a chance to grow.

Much area has been left around the College Union Building for grass, but students continue to walk across the area and have beaten several paths in doing so. One of the paths from the front of the CUB to the cafeteria is so well beaten that it hardly has a chance for the rain to soak in. The six feet wide path is used every day by a large number of students who "just don't have the time to go by the sidewalk."

The time it takes to do things right will really not amount to much if we get into the habit of doing them right. So, folks, it is up to each of us to make our campus clean and attractive. Let's do so!

DOCTOR GEORGE T. WALKER

## Salvation Army Names Walker As "Citizen Of The Year"

Dr. George T. Walker, president of Northeast Louisiana State College,

has been named "Citizen of the Year" by the local unit of the Salvation Army.

### Notices

#### CAMPUS VISITS

Northeast State College will present a program on "Modern Trends in Mathematics" on Campus Visits to be seen Saturday over KNOE-TV at 4 p.m.

Featured on the program will be Doctor Daniel E. Dupree, head of the Northeast math department and Mrs. Rosemary Hamner also of the department, according to James Parkerson of the Northeast speech department.

#### VACCINE

Through the cooperation of the Ouachita Parish Medical Society and the Junior Chamber of Commerce, Sabin oral polio vaccine has been obtained for use on campus. Infirmity nurses will administer the vaccine through tomorrow from 7:30 a.m. until 7:30 p.m. to students, faculty and staff who have not taken the vaccine and wish to. Students under 21 years of age must have consent of their parents.

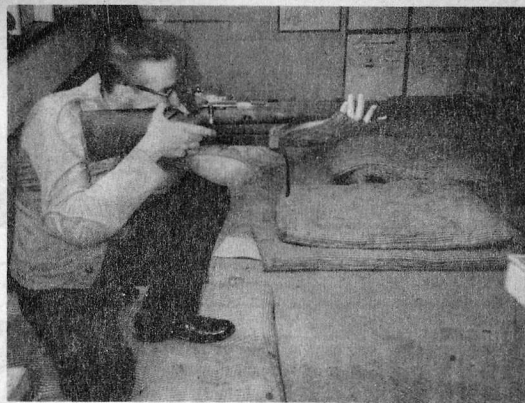

No charge will be made, but a contribution of 25 cents is asked from each person participating to help defray the cost of the vaccine.

## Gill Paces Cadets In Mardi Gras Invitational Match

Cadet Lieutenant Robert Gill of Monroe fired a total of 556 out of a possible 600 points to lead the Northeast Cadets in scoring during the 6th Annual Mardi Gras Invitational Match, held in New Orleans during this past weekend.

The Mardi Gras Match, jointly sponsored by Tulane and Loyola Universities, attracted teams from colleges and universities throughout the country, including the Army team from the University of West Virginia, which took top honors in the match, and the Navy team from the University of Missouri.

The runner-up firer for Northeast was Cadet Lieutenant Arville Steed of Shreveport, who scored a total of 546 points. Other cadets participating in the match included Henry Donelson of Monroe, Durwood Antley of West Monroe, Edwin Vice of New Iberia, and Billy Gammel of Crossett, Arkansas.

ROBERT GILL

## Concert Association Slates Presentation Of Big-D Symphony

The famed Dallas Symphony Orchestra will be presented in concert in Neville High School Auditorium on Wednesday, March 6, by the Northeast State Concerts Association, with curtain time at 8:15 p.m.

Donald Johanos is music director and George Trautwein assistant conductor of the talent laden group.

The program will consist of Haydn's Symphony in G major, "Oxford", No. 92, Adagio; Allegro spiritoso, Adagio, Menuetto, and Presto; Strauss' Tone Poem, "Don Juan", Opus 20; and Brahms' Symphony No. 4, E minor, Opus 98, Allegro non troppo, Andante moderato, Allegro giocoso, and Allegro energico e passionato.

**On Campus** with Max Shulman  
(Author of "I Was a Teen-age Dwarf", "The Many Loves of Dobie Gillis", etc.)

### GLAD RAGS

The hounds of spring are on winter's traces. Soon buds the crocus, soon trills the giant condor, soon come the new spring fashions to adorn our lissome limbs.

And what will the American college student wear this spring? Gather round, you rascals, and light a Marlboro Cigarette and enjoy that fine mellow tobacco, that pure white filter, and possess your souls in sweet content, and listen.

As everyone knows, campus fashions have always been casual. This spring, however, they have gone beyond being merely casual: they have become makeshift.

The object is to look madly improvised, gaily spur-of-the-moment! For example, why don't you girls try wearing a peasant skirt with a dinner jacket? Or matador pants with a bridal veil? Or Bermuda shorts with bronze breastplates? Be rakish! Be impromptu! Be devil-take-the-hindmost!

And, men, you be the same. Try an opera cape with sweat pants. Or a letter-sweater with kilts. Or a strait jacket with hip boots. Be bold! Be daring! Be a tourist attraction!

But all is not innovation in college fashions this spring. In fact, one of the highlights of the season turns time backward in its flight. I refer, of course, to the comeback of the powdered wig.

This charming accoutrement, too long neglected, has already caught on with *in* undergrads everywhere. On hundreds of campuses the bossa nova is giving way to the minuet, and patriotic undergraduates are dumping British tea into the nearest harbor. This, as you may imagine, does not sit well with King George III who, according to reliable reports, has been stamping his foot and uttering curses not fit to reproduce in this family newspaper. For that matter, a lot of our own people are steamed up too, and there has even been some talk about the American colonies declaring their independence of England. But I hardly think it will come to that. I mean, how can we break with the mother country when we are dependent on her for so many things—linsey-woolsey, Minié balls, taper snuffers, and like that? She, on the other hand, relies on us for turkeys, Marlboro Cigarettes, and Route 66. So I say, if Molly Pitcher and those other Radeliffe hotheads will calm down, and if gentlemen will cry "Peace! Peace!" we may yet find an amicable solution to our differences. But let not our British cousins mistake this willingness to negotiate for weakness. If fight we must, then fight we will! Paul Revere is saddled up, the rude bridge arches the flood, and the ROTC is armed!

But I digress. We were smoking Marlboro Cigarettes—O, splendid cigarette! O, good golden tobacco! O, pristine pure white filter! O, fresh! O, tasty! O, soft pack! O, flip top box! O, get some!—we were, I say, smoking Marlboros and talking about spring fashions.

Let us turn now to the season's most striking new feature—pneumatic underdrawers. These inflatable garments make every chair an easy chair. Think how welcome they will be when you sit through a long lecture! They are not, however, without certain dangers. Last week, for example, Rimbaud Sigafos, a sophomore at the University of Pittsburgh, fell out of a 96th story window in the Tower of Learning. Thanks to his pneumatic underdrawers, he suffered no injury when he struck the sidewalk, but the poor fellow is still bouncing—his seventh consecutive day—and it is feared that he will starve to death.

© 1963 Max Shulman

Fashions come, fashions go, but year after year Marlboro Cigarettes, sponsors of this column, bring you the tastiest tobaccos and a pure white filter too. Try Marlboro soon.

# Sue Parkerson Is Featured As Miss Pow Wow

Miss Sue Parkerson, lovely sophomore speech major, has been named Miss Pow Wow for the week. Sue hails from the town of Cherokee, Oklahoma, a very fitting place for a Northeast Indian to come from.

Very active in school and campus activities, Sue is a member of Alpha Omicron Pi; in the cast of the musical

SUE PARKERSON

Brigadoon; in the dancing chorus of Redskins; and a member of the speech sorority, Phi Beta.

Sue has been chosen as a year-book beauty and as a sponsor for the military department. As a contestant in last year's Miss Northeast Contest, Sue captivated her audience with her reading of the "White Magnolia Tree." Sue will be sponsored in the contest again this year by the Speech Club of which she is a member.

Despite her many activities, Sue still maintains high marks in her school work. Her hobbies include waterskiing, working on dramatic productions, and sewing.

**CADET LEADER**—Cadet Lieutenant Colonel Jerry L. Miller, Commanding Officer of the 1st Battalion of Northeast's ROTC Brigade, is our featured cadet leader this week. Cadet Lieutenant Colonel Miller, the son of Mrs. Mary Miller of Marion, Louisiana, is a 1959 graduate of Marion High School. A senior chemistry major, Miller is Commanding Officer of the Scabbard and Blade Society and is also a member of the American Chemical Society. Miller's academic and military record have earned for him many honors, including the award of the Professor of Military Science Medal in 1962, and designation as a Distinguished Military Student, also in 1962. After receiving his commission, Miller will be assigned to the Army Intelligence Service. Our featured cadet for this week is married, and resides with his wife, Dorothy at 1713 Filhiol Street in Monroe, Louisiana.

# Jazz Ensemble Takes Excursion To See Sights

Dr. Lemert has given me for the time being the task of getting some information back to you concerning our trip. I know exactly what you want but I am lost trying to find a place to begin.

I think I'll start by telling you of a little side excursion so typical of our trip. Last night, while we were in Karlsruhe, Germany, on the Rhine River we met a young man who turned out to be a music student at a local university. He had somehow learned of our tour and made a special trip to our hotel to meet us. After going with us to hear us play at a local army post service club, he volunteered to be our guide for the evening's entertainment and somehow we (the whole group) wound up in the midst of Gypsy music and Hungarian goulash at a small place we could have never found on our own.

We were all thrilled beyond belief at the music of the small Hungarian orchestra—themselves on tour from Budapest—behind the Iron Curtain. Sarabeth played piano for them and they applauded her as strongly as we applauded them.

This one evening is only typical of the fine time we are having and the wonderful education we are receiving. We have visited Garanish, the famous ski resort south of Munich and climbed the Zugspitz, highest mountain in Germany; we have attended the opera and the Mercedes Museum at Stuttgart; we have climbed to the top of the highest cathedral in the world, the Gothic "Muechner" at Ulm; and we have stood where Hitler once stood at Soldier Field and sat in the seats of the courtroom, scene of the famous war trials of Nurnberg.

Tomorrow will be a typical day. We will leave Heidelberg at 10 a.m. and travel north to Gessel. The next day will be free for sightseeing and the next will be devoted to travel to Berlin via train. More from behind the Iron Curtain!

Paul Mann for the Northeast State Jazz Ensemble.

# Tommy Ritter Relates Tour Experiences

Feb. 1  
... Jet flight from Newark uneventful but very enjoyable. Flew direct to Frankfurt in 7 1/2 hours, making a total of 20 hours.

Feb. 10  
... What a wonderful time we are having seeing cathedrals, castles, Bavarian Alps and typical German countryside. Another great experience is the food. Every meal is a looked-forward-to occasion. Sour-brauten, German salads, hamberger zweifsteak, and potatoe soups are my favorites.

Feb. 12  
... We stayed in Frankfurt three days and from there went to a small town called Wurzburg. Spent one day sightseeing and played a concert that night. The next day we went to Schweinfurt and on to Nurnberg for three days. The next three days were spent in Muechen (Munich) and are now in Augsburg.—The reason

we are not able to write too often is that we play concerts at night, which are usually a good distance from the base and do not get back until midnight. During our daylight hours we usually try to get in as much sightseeing as possible.—Best single experience for me was during the Munich stay. The Army gave us a day off without a concert that night. A few of us, Dr. Lemert included, decided to spend that day in a small, picturesque resort town in the Alps called Garmisch. The town was really lovely and the mountains magnificent. In the afternoon we took a trip up Mt. Zugspitz which is the highest point in Germany. From Garmisch we took a car to the other side of the mountain which is in Austria. There we took a cable car to the peak. It was a beautiful day and we were able to see into the countries of Germany, Austria, and Italy. Now we may be able to say that we have seen the Alps.—Climate seems to agree with us all even with the snow and cold weather.

Feb. 14  
Happy Valentine. We are in Stuttgart and will be here for four more days. Your letters have arrived through the date of Feb. 8, and are greatly appreciated and enjoyed.—Stories you have probably heard about prices in Europe are not necessarily true. It seems that within the past few years the standard of living has almost equalled that of the United States; however, we are able to obtain wonderful meals for approximately one dollar that would be three to four times that amount back home.

Feb. 16  
—Last night a small group decided to go to the opera. We saw "The Flying Dutchman" which was all in German. Of course we could not understand a word but the music was beautiful and the opera house gorgeous. The lighting effect was quite chilling. The opening scene used flashing lights that gave the appearance of a technically animated movie rather than real people on a live stage. Orchestra was excellent.

Feb. 18  
—It is warming over here now. For the last two days the temperature has been between 35 and 40 and the snow is melting. Now we see spots of plain wet earth which is the first we have seen since we arrived. We were beginning to wonder whether they had soil here or not.

Feb. 20  
—We are now in Heidelberg after spending one day in Karlsruhe. After our last night concert, the entire ensemble went to a night club together. There was a Hungarian band there which was absolutely beyond belief. The leader played violin better than I have ever heard violin played in my life. Also there was a cello player who could produce a tone that would send chills up and down one's spine. But, on top of all this, the performer I enjoyed most was a man who played a zither. As you know, a zither is a very old string instrument which is played by striking mallets on the strings. The instrument had a gorgeous tone and the person who played it had perfected a fabulous virtuoso technique. The entire six piece band was truly fine.—Am keeping a record of each day's events in my pocket notebook.

# Science Group Holds Seminar At Northeast

Area high school and junior high school science teachers and students attended a science seminar last Monday on the Northeast Louisiana State College campus.

Speakers for the occasion were Dr. John W. Hill, assistant professor of chemistry at Northeast, and Dr. Leo Raub, chairman of the Centenary College physics department.

Dr. Hill's topic was "Probabilities of Life in Space" and Dr. Raub talked on "Artificial Satellites."

This seminar was one of the Louisiana Junior Academy of Science's monthly series.

# Conference . . .

(Continued From Page 1)

the first session slated as a banquet at 7 p.m., today, in the University Center, and the second session slated for 9 a.m. tomorrow, also in the University Center. Dr. Wilson's address will be "A Better Partnership for Government and Education."

Various sectional meetings will be held today from 2-4 p. m. on the Tulane campus.

Internationally known as an educator, Dr. Wilson probably is most noted for his work as president of the main University of Texas, then later as president of the entire University of Texas System. He also had been chancellor at Texas, and had taught at various other colleges and universities.

He was professor and head of the sociology department at Tulane University from 1941-43.

Well-known as a lecturer, he includes among his more notable assignments those of the Salzburg Seminar in American Studies, Har-Institute for College and University Administrators, Duke University, and the University of Connecticut.

The author of numerous articles and books, he is most noted for his collaboration with William L. Kolb for his book, "The Academic Man, Sociological Analysis."

He is prominently recorded in Who's Who in America, the Directory of American Scholars, Who Knows and What, World Biography, and American Men of Science.

A native of Huntsville, Tex., he received his B.A. degree from Sam Houston State College, his M.A. from the University of Texas, his Ph.D. degree from Harvard University, and has received honorary LL.D. degrees from Tulane University, Texas Christian University, the University of Rhode Island, and Washington University.

**WINNING SMILE**—Beverly Sumrall, freshman from Lake Providence, wearing a broad smile and beautiful evening gown, displays the style that helped her add the title of "Miss Stock Show of 1963" to her growing list of beauty achievements. Beverly did a dramatic reading from "Our Town" as her talent at the Delhi Stock Show.

## Alpha Omicron Pi

Alpha Omicron Pi members will celebrate the initiation of new members with a party at the Guthrie Plantation Grecian Bend, this Saturday, afternoon and evening. Members and dates will have box lunches with music provided by an old fashioned player piano.

A O Pi members are also preparing for Spring Rush. Chairman for this event is Dee LaGrange.

Lambda Tau is very proud that seven of its members are hard at work in the school musical, Brigadoon. These members are Priscilla Villa, Lee Ann Lewis, Kathy Harbert, Barbara McCoy, Shelly Goodwin, Sue Parkerson, and Murray Burford.

## Kappa Alpha Order

Gamma Nu Chapter of Kappa Alpha Order will have its formal initiation for the Fall 1962 Pledge Class Saturday, March 2. The 17 men who will be initiated into the Order are: Joe Ashley, Richard Campbell, Don Cox, Malcomb Decelle, Dick Ethridge, Taylor Heard, Henry Hinkle, Bill Hodge, Lyn McCready, Kenneth Mulhearn, Pete Mulhearn, Guy Parker, Bill Quenan, Parnell Stockstill, Lawson Swearingen, Jim Taylor, and Ronnie Watters.

Kappa Alpha and TKE are sponsoring a "Sadie Hawkins Day" Saturday, March 9, for all Northeast students. There will be a race, supper, and dance. Tickets for the affair are \$1.00 per person, and may be obtained from KA or TKE members.

## Geographical Society

The NLSC Geographical Society met last Thursday night in room 209 of the College Union Building. Plans for the NLSC-sponsored tour of Mexico were presented. W. C. Buchanan showed slides of the West, which included San Francisco, Yellowstone National Park, the Royal Gorge, and Grand Canyon. The next meeting will be held on March 21.

## Social Science Club

Members of the Social Science Club at Northeast were entertained last Thursday evening by Paul Rawson, assistant professor of geography, who presented a program on the Scandinavian countries of Europe. Rawson showed a collection of colorful picture slides to the group, as well as several souvenirs and clothing items he obtained during his study at the University of Oslo in Norway.

Following the program, refreshments were served by Mrs. Viola Langston. The next Social Science Club meeting will be March 14.

## Phi Mu

The 111th anniversary of the founding of Phi Mu Fraternity will be celebrated by Phi Mu Alumnae and the Northeast Louisiana State College chapter at a luncheon Saturday at 1 p.m. at the Paragon Supper Club.

Eleanor Harmon of the collegiate chapter is in charge of the program. During the traditional service honoring principles of scholarship and service to others established by the founders, pennies will be contributed to the Alpha Memorial Fund for each year of the fraternity. The fund, established in 1913, provides scholarship loans and grants to needy and worthy college students.

Locally, the chapter's social service program is highlighted by a toy cart party at Christmas. Toys which members exchange and play with at the party are taken the next day to Conway Memorial Hospital for the youngsters' toy cart, which was built by the collegiate chapter. The group also takes toilet articles to teen-age girls at the Baptist Children's Home and comic books to a local Red Cross organization for distribution to children in the area.

## Speech Club

The Speech Club was very pleased with the turnout and overall success of the Annual Speech Festival held at Northeast last Saturday. The different events were judged by speech students and various local people. The weekend was topped off by a dance and a banquet Friday night. The Speech Club wishes to thank everyone who took part in these activities.

Speech majors are all very busy now with the coming production of Brigadoon. Props must be gathered and sorted, lines learned, and everything made ready in general for that big opening night in four weeks.

## Pi Sigma Epsilon

Zeta Chapter of Pi Sigma Epsilon left Monroe Wednesday, Feb. 27, en route to Philadelphia, Penn. Zeta Chapter will be competing for the Top Chapter and the Top Salesman award at the 7th National Pi Sigma Epsilon Convention.

For the past two years Zeta Chapter has won the Top Salesman Award. This year Zeta expects to surpass the excellent record of the past by winning the Top Chapter Award.

The delegates to the convention are Preston Rudisill, Robert Burley, Tom Baily, Jerry Bragg, Bobby Green and Ray Hawkins.

## Northeast Profs Attend Meeting

Four Northeast State College professors have attended the Southern District meeting of the American Association of Health, Physical Education and Recreation in Knoxville, Tennessee, Dr. T. Eugene Holzfclaw, dean of the division of education, has announced.

Attending were Dr. Ethel Trice, Dr. Arthur Adams, Dr. Robert Murdock, and Miss Ida Chadwick.

They left last Thursday and returned Tuesday.

# Northeast Schedules Scholarship Tests

Representatives from Northeast Louisiana State College will give tests six times during March to outstanding high school seniors seeking scholarships at Northeast State, Dr. Fred J. Vogel, dean of student services, has announced.

Dates and sites of the tests are March 8-9, Gunby Dining Hall at Northeast State; March 9, at Fortier High School Cafeteria in New Orleans, and Istrouma High School Cafeteria in Baton Rouge; March 16, Bolton High School Room 201, Alexandria; March 23, Byrd High School Cafeteria, Shreveport.

Test results, along with other cri-

teria, will be used to determine awardees for State Board of Education Academic Grants valued at \$600 per year and Northeast State Scholarship Foundation Grants valued at \$200 to \$800 per year, plus other scholarships.

Students wishing to take the qualifying examinations, all to be given at 8 a.m. on the dates listed, may secure application blanks from their principals, senior class sponsors, school counselors, or from the dean of student services at Northeast State.

To be eligible for scholarships,

students must also have had a high scholastic record in high school, receive good recommendations from their principals, and be residents of Louisiana.

Also available at Northeast are scholarships in band, choir, jazz ensemble, orchestra, women's precision dance and drill team, and other academic and work scholarships.

Loans from \$100 to \$600 per year under the National Defense Student Loan Program are available to qualified students who need additional funds to attend Northeast State.

# Plans For Race Near Completion

Final plans for the Sadie Hawkins Day activities March 9, have been announced by the Epsilon Mu chapter of Tau Kappa Epsilon and the Gamma Nu chapter of Kappa Alpha. The two fraternities have joined together in co-sponsoring with the College Union, the wildest day of entertainment Northeast has witnessed in a long time.

## Day's Activities

To start our day off right, there'll be a rip snortin' race in Lil' Abner style. Everybody is to wear old patched up clothes 'cause from all indication the girls are out to get their man, if it means draggin' them a mile. The start and finish line will be inside the stadium and the boundaries will be marked in crepe paper. Signs will direct participants around the campus.

The boys will have a 100-yard head start at the beginning of the race.

Girls are reminded that they can purchase rings for the wedding, to be performed by ole "Marring Sam" for nuthin', from any TKE, KA or in room 201 of the CUB. The early comers can get them for 5-cents but the 35 carrot specials will cost 7-cents on the day of the race. Refunds of 3-cents will be given to those girls who fail to catch a man.

Tickets for the event are on sale for \$1.

The girls may choose from the following for their attire: 1. Blue jeans. 2. Bermuda shorts. 3. Skirts (bermuda shorts length) with tights.

# Indians Close Season Against Demons

## Gymnastics Team Takes Second Spot In Oklahoma Meet

Northeast State's gymnastics team fought off the challenge of a number of top teams and a virus attack to take second place in last Saturday's Oklahoma City Invitational meet.

The Indians, who were once again led by student assistant coach Gene Huffty with 24 points, finished second to the Denver Gym Club which has not been beaten for two years.

Huffty, along with teammate Jim Walker and Coach Barry Johnson, came down with a bad virus shortly after reaching Oklahoma City Friday.

The Indians, who finished with 54 points for the night, competed under the banner of the Twin City YMCA.

Marvin Jordan, who finished second to Huffty in the recent Louisiana State Collegiate Gymnastics Championships in Monroe, was once again runner-up, this time with 15 points.

Other Northeast entries and their point totals were Sam Walker with five points; Jim Walker, 4 1/2; Tommy Frazier, 3 1/2; and Wynn Jefferson and David Adams, one each.

Huffty's, and the Indians' best finish, was a second-place spot in free exercise.

Three Indians, Huffty, Jordan, and Sam Walker, were third, fourth, and sixth in the all-around competition.

**GRADUATING SENIORS**—Four Northeast State cagers who will play their final college game tonight are seniors Milton Linder, Malcolm George, Robert Cook, and Stuart Toms. Linder, Cook, and Toms are all starters and are earning their fourth Indian letter this season. George is working on his second monogram.

## Tribe Seeks Second Place In 7:30 Clash

The Gulf States Conference basketball champion has already been decided but tonight's clash between Northeast and Northwestern will clear up some important loose ends.

First, there is the matter of second place in the conference. Northeast, last season's conference champ, can tie for second by whipping the Demons from Natchitoches.

McNeese has already won the conference crown with a 7-3 record, and a win tonight would boost the Indians to 6-4.

The second important matter to be settled tonight is the league scoring title. The two leading contenders are Northeast's Stuart Toms and Northwestern's Tommy Mathis.

Toms, a senior from Quitman, has a big lead in the scoring contest with 191 points in nine league contests, an average of 21.2. Mathis, after eight games was averaging 18.1 with 145 points, and faced an uphill battle in overcoming the big lead by Toms.

Also at stake tonight is all-conference recognition. Toms and Mathis, of course, are leading all-GSC candidates and Indians Jimmy Walker and Robert Cook and Demon Sam Watts are possibilities also.

Toms, besides being the leading scorer in conference games, is also among the full campaign leaders with a 15.1 average and is generally considered the best ball-handler and dribbler in the league.

Mathis, a junior from Hanna, is averaging 17.7 points for the full season while teammate Watts is averaging 10.1 points and 8.8 rebounds.

Walker, named to the second all-GSC team last winter while Toms and Cook made the third team, is averaging 14.5 points and is the circuit's No. 2 rebounder with a season average of 10.8 and a league mark of 11.7. Cook is averaging 10.6 points and 9.6 rebounds.

The two other Indians who will start, Milton Linder and Irby Gamble, are averaging near the 10-point mark and could finish with double-figure averages if they have a good night tonight. Gamble, the 5-7 sharpshooter, is averaging 9.9 points and Linder 9.7. Gamble was the big gun in last Saturday's 103-88 victory over Spring Hill, dumping in 28 points.

## Texas Thinclad Enters Northeast Will Run In '64

A Texas high school track record holder has enrolled at Northeast State College and will be eligible for college competition in 1964.

He is Ronnie Fountain, who set records of 9.7 in the 100-yard dash and 48.5 in the 440 last spring in the state class B meet. Fountain, who starred at Springhill, Tex., High, attended the University of Houston last fall.

Northeast Coach Bob Groselose said he hoped to use Fountain in the 100, 220, 440 and on relay teams next spring. Texas regulations restrict athletes to only three events in high school. Fountain ran on the mile relay team in addition to the 100 and 440 in high school.

## Spring Grid Practice Ends Third Week

Coach Jack Rowan is pleased with the results of Northeast State's spring football drills, which end their third week today.

"Our workouts are going well," Rowan says. "The boys are showing lots of spirit and we coaches feel so far that our drills are accomplishing their purposes—improving fundamentals and giving us a better understanding of our players' capabilities."

The Indians ended their second week of workouts with a controlled scrimmage last Friday afternoon. Passing dominated in the scrimmage with three of the four touchdowns scored coming on pass receptions and the other on an interception.

Sophomore halfback Robert Payne combined with quarterback Mike Cooper on the day's top play, a 60-yard pass for a TD. Freshman end Stanley Willson, a redshirt last fall, caught a 30-yard touchdown toss from transfer quarterback Bookie

Shillcutt and sophomore flankman Sherrel Smith pulled in another scoring toss from Cooper.

Center Tommy Beaubé scored the other touchdown on a 40-yard interception return.

Rowan and aides George Luffey, Jim Coats, Leon Manley and Bob DeMoss have made two major position changes since the beginning of spring drills. Senior Devone Payne has been shifted from fullback to right half while Ronnie Myrick, the team's total offense leader for the past two seasons, has been working out at left half in addition to his old quarterback position.

The Northeast coach said he will use Myrick at halfback in addition to quarterback in order to take advantage of his great speed. Myrick is the team's fastest man.

"Ronnie is a fine runner and his presence at halfback gives us a fast pass receiver, something we have needed for several years," Rowan said. "Also we do not have the depth at halfback we've had for the past couple of years and Ronnie will help solve this problem."

Myrick and all-Gulf States Conference Ken Newton are alternating at left half on the No. 1 Northeast unit with Cooper at quarterback, Willie Ragan at fullback and Robert Payne, the top GSC rusher in league games last year, at right half. Robert Payne played left half last year.

Carlyle Williams and Jimmy Love are the ends on the Gold, or No. 1, team; Wayne Clement and Alden Fontenot the tackles, Joe McClain and Don King the guards and Beaubé the center. The Gold team is an all-letterman group.

Ragan has apparently recovered

from the knee injury that slowed him last fall and has done well in practice. Ronnie Graham, a Ruston sophomore, is currently running at the No. 2 fullback post and reeled off a fine 25-yard run in Friday's scrimmage.

Other members of the No. 2, Maroon, unit are ends Tommy Latham and Wendell Drost, tackles Preston Hollier and Kirby DesOrmeaux, guards Dwain Jacobs and Billy Ross Graves, center Stanley Starr, quarterback Shillcutt, left half, R. F. Willson, Ray Pommier the right half and David Elkins the fullback.

Jacobs, Thomas, McBroom, Kirken-dall, Willson, LaSalle, Faircloth, Pommier and Elkins were redshirts in 1962, DesOrmeaux lettered in 1961 and sat out last season, Shillcutt, Weaver and Johnson are transfers and the rest of the players on the Maroon and Blue units are 1962 lettermen.

Other linemen who have done well in practice are lettermen Gary Jones, and freshman Ricky Riser, Fred Morris and Kenny Riene, a former end from Baton Rouge Redemptorist who is now at center.

Joe Alewine, a starting tackle most of 1962, is currently sidelined with an injured back and may miss the rest of spring practice. Also sidelined presently is transfer end Steve Regan, suffering from a bruised hip.

Regan is one of four players who have been doing the punting this spring. The others are Robert Payne, Willson and Thomas. Northeast is seeking a booter to replace John Kelly, the GSC punting king in 1962.

The Indians will work out five times this week with a scrimmage scheduled for today.

# Tracksters Open 12-Meet Schedule In Texas

## Defending Champs Slate First Annual Northeast Invitational

### Diamond Season Set To Open Soon 27 Games On Tap

Northeast Louisiana State's baseball team will play 27 games this spring, kicking off its schedule here March 19 with a single contest against Arkansas A&M.

The Indian schedule, announced by Athletic Director Jack Rowan and Coach George Luffey, includes 11 double headers. The Tribe will play its 20 Gulf States Conference tilts in 10 twin bills and also meets Delta State in a doubleheader.

GSC competition begins for the Indians April 2 in Lafayette against Southwestern. The first conference home games are set April 6 when the Indians play host to league champ Southeastern.

Luffey faces a big rebuilding job as he begins his ninth year as Northeast's diamond boss. Eight lettermen including the top three hitters, are gone from the 1962 club that finished 13-19 overall and 7-11 in the GSC.

All-GSC second baseman Eddie McGowan, the club's top hitter with a .316 average, is gone along with outfielder-pitcher Bob Groves (.306) and Phil Petras, a three-time all-conference shortstop who hit .305 last year.

Also missing are regular outfielder Donnie Brunson; first sacker Don Bonial, the club's home run and total bases leader; Gary Fields, the top utility man; and pitchers Teddy Payne and Larry Bess.

Nine lettermen are back, including all-GSC pitcher Bob Rachal (5-2). Rachal, however, underwent a serious operation last summer and faces a big job in getting back up to his physical par. He was the team's best pitcher last spring and was also the club's runner-up in homers.

Three other lettermen hurlers return—veterans Bobby Lockwood and Jerry Godwin and Ed Quimby, a freshman star last year.

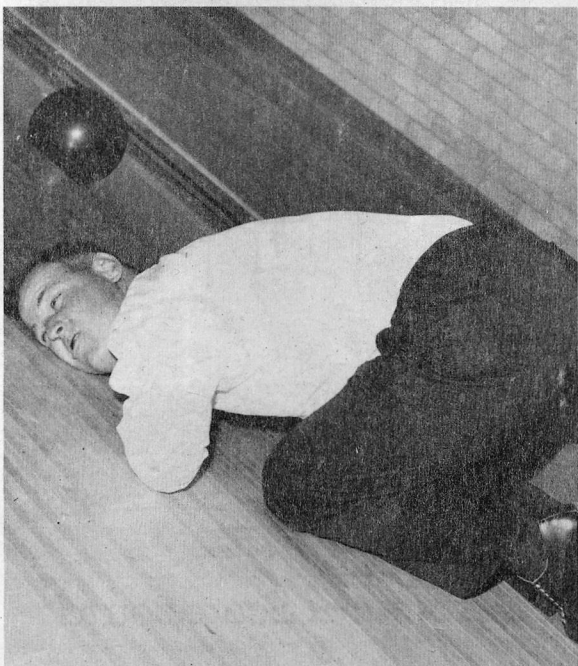

Lockwood was 4-7 last year, Godwin 1-2 and Quimby 1-4. Also back is a non-letterman pitcher, Ronnie Davies.

John Pace (.271), all-GSC in 1961, returns to the outfield along with pinch-hitter Dave McCarty, Charley Dykes (.202), the regular third baseman, and James Cromwell, the leading candidate for the shortstop spot, are returning infielders while regular catcher Bo Dick Smith (.238) is back in school but may not come out for baseball this year.

Two promising sophomore squadmen, slick-fielding second baseman Keith Prince and outfielder Don Senn, are also available as is L. M. Welch, a pitcher who played in 1961.

Newcomers, most of them freshmen, expected to make strong bids for places on the squad are pitchers Floyd Murry of Bastrop, Lynn Causey of Monroe, David Whitworth of Bastrop, Kenny Cline of Baton Rouge, Buich McMillan of West Monroe, Dayton Ainsworth of Oak Grove, Tommy Pitre of Opelousas, and Ricky Albrinton of Bernice; infielders Joey McGinn of Monroe and Richard Ducote of Alexandria, outfielders Alton Thomas of Shreveport, John Hall of Alexandria and Mike Vining of Forest; and catcher Eddie Kincaid of Forest of Monroe.

The schedule:  
Date Opponent  
March 19—Arkansas A&M at Monroe  
March 21—Southern State at Magnolia, Ark.  
March 23—Southern State at Monroe  
March 26—Arkansas A&M at Monticello, Ark.  
March 29—Delta State at Monroe  
March 30—Delta State (2) at Monroe  
\*April 2—Southwestern (2) at Lafayette  
\*April 6—Southeastern (2) at Monroe  
\*April 8—Northwestern (2) at Natchitoches  
\*April 10—McNeese (2) at Monroe  
\*April 20—Louisiana Tech (2) at Monroe  
\*April 22—Southwestern (2) at Monroe  
\*April 27—Southeastern (2) at Hammond  
\*April 29—Northwestern (2) at Monroe  
\*May 4—McNeese (2) at Lake Charles  
\*May 6—Louisiana Tech (2) at Ruston  
\*—Gulf States Conference Games.  
(2)—Doubleheaders, 7-inning games.  
Home doubleheaders to begin at 1:30 p.m., single games at 2:30 p.m.

"OH, NO, NOT AGAIN"—These are the words of News Bureau Director James Parrish as he falls to the approach after unleashing another in a series of gutter balls. This scene is typical in the Faculty Bowling League which bowls at the College Union Lanes each week.

## Social Science Bowlers Fall Less To Lead Pack

By BOLLEY ALLEY

John F. Kennedy and Bud Wilkinson, two propagandists for expanding programs of physical fitness in schools across the nation, would be heartily approving of the Faculty Bowling League at Northeast State, for the league is certainly exercising actions akin to the contortions of calisthenics, isometrics or otherwise.

This writer will seek to give a season report about the league and will try to stay with facts, though the faculty members involved certainly aren't going to boast about professionalism in the league. At this point, we understand that only two members of the league have been contacted by television agents. Championship Bowling is definitely missing good talent here.

Season records of the faculty loop would make many other leagues envious. For example, take the case of the most-pins-knocked-down-on-a-spate. This record is shared by several noteworthy faculty members, including Aaron Seamster, Red Parrish, and Billy Buchanan. Needless to report, these and the other record-shareholders made the perfect score of ten pins. Other leagues may tie this record, but no others will break it.

Too, take the record of no-fall-down-a-tall. Bill Creed has put this one on the books with the season's individual game high of 223, followed closely by Dave "Gluefoot" Bingham's 222. Creed is joined by Union Staff teammate Don Miller, who had the season's three-game high of 593, followed by Russell "Strongman" Rainbolt's 562. Musician Bingham is claimed by the journalists, and Rainbolt by Math-Physicists.

Another faculty member, Bob "Not Married" Anderson, set a record high of 255 in a commercial league downtown but hasn't measured up to his potential in the faculty fiasco. He also belongs to journalism.

This league certainly isn't without its colorful asides. In order to give a clear report, we must relate certain comments allegedly made by the players. To wit:

B. Anderson to D. Bingham, after having been watched by opponent Lit Simpson: "Lit'll never believe you threw that 222."

Bodie Malone: "Dad blame those little thumb holes."

Don Kemp: "The pins are at military attention—after I've rolled both cannon balls."

Beryl Franklin: "I say, ole fellows, meet me at the dahnce hahl for practice—the twist, you know. Cherio."

Waddy Moore: "Now the history of my game is, er, is, er, is, is disgusting."

Charles Depoe to Aaron Seamster: "Now, next time thread the lane—not the alley. On what street is your hook and eye?"

Seamster's reply: "Look, buddy, my handicap is 27, yours 28."

On being asked about the Union Staff's lowly standing, Bill Creed: "I figure the averages, don't I? I hire the pinsetters, don't I? After all, we could be lower, you know."

In reply, Ben Miller: "Uh, as the NLSC Indians say, how?"

Lit Simpson: "Turn on the foul lights."

Larry Smith: "I've got a knee-pad ordered."

Russell Rainbolt, on throwing a 199: "Where could I have picked up that other pin?"

Ed Whitley to Red Parrish: "Get up, Red. You've got another ball coming."

Red Parrish, in reply: "Ohhhh!"

**STEVE & BUD'S PLATTER PALACE**

Northeast State College's defending Gulf States Conference champions in track open their 1963 season tomorrow in the big Southwestern Recreation Meet in Fort Worth. The event will be the first of 12 meets on tap for the Indian thinclads for this season.

The 12-meet schedule was announced by Athletic Director Jack Rowan and Coach Bob Groseclose.

The schedule includes two home engagements, including the first annual Northeast Invitational. The first home meet is a triangular meet April 27 also involving Northwestern and Arkansas A&M.

The top visiting entry in the first Northeast invitational May 4 will be the defending Southeastern Conference track champion, Mississippi State. Northeast is the defending Gulf States Conference champion.

Other teams entered in the Invitational are Louisiana Tech, East Texas State, Northwestern and the University of Southwestern Louisiana.

Major track and field meets on the Northeast schedule, in addition to the Southwestern Recreation and Invitational, are the Shreveport Relays March 16, the Florida Relays March 30, the Southwestern Relays April 13 and the Northwestern Relays April 20.

Northeast will end its season May 11 in the annual Gulf States Conference meet in Ruston. Northeast has won three of the last four GSC titles and has been unbeaten twice in the past three years.

The 1960 Northeast team was undefeated in 14 meets and acclaimed the South's finest. Last year's team was unbeaten in nine meets, defeating such outstanding teams as Mississippi State, LSU, McMurry, Alabama, Florida State, Kansas State and Houston, and was again generally considered the best in the South.

The famous twins who led Northeast to its two perfect seasons—Don and Dave Styron—have completed their eligibility along with crack miler Don "Buddy" Eiland. Discus thrower Tiffen Stone, relay man and broad jumper Owen Owen, quarter-miler Claude Mercer, pole vaulter Noel Orr, and distance men Bill Frye and Jack Williams are also missing this year.

Don Styron is the world record holder in the 220-yard low hurdles while brother Dave is co-holder of the U. S. 60-yard dash standard.

Because of the loss of such outstanding athletes, Northeast is not expected to match its 1962 record this season. However, Groseclose has two established stars in 15-foot pole vaulter John Pennel and Randall Walker, unbeaten in the 440 last season, 10 other lettermen and several outstanding freshmen.

Lettermen Jay Goldsmith, Charles McDonald and Woody Pence are back in the sprints, where they're joined by rookie Don Brant. Dalton LeBlanc, considered Louisiana's top schoolboy trackman last year, heads a list of hurdlers that also includes letterman Eugene Franklin and rookies Bob Stratton and Sherrel Smith. Walker

will also run the low hurdles occasionally.

Walker, letterman John Baker and freshmen Cline Averett and Mike Wilson will run the quarter-mile and form the mile relay team. This quarter won the mile relay in last week's indoor Coliseum Relays.

Rookies Gayland LeBlanc, Tommy Poindexter and Charles Golightly will run the 880 and veterans George Abbott and Bill White and freshman Bill Smith and Tom Brown are mile entries. White, letterman David Hankins, Brown and Lee Eichen are two-milers.

Goldsmith, McDonald, Dalton LeBlanc and Averett or Brant will run the 440 relay with Groseclose to pick his 880 relay crew from this group and the mile relay quartet.

Returning squadman Richard Shovan, Pennel and freshmen Preston Hollier and Alden Fontenot are the squad's weight men and Pennel and rookie Tom Slack will toss the javelin.

Pennel, who went 15-71½ indoors this winter, and sophomore Tommy Edmondson, who clears 14 feet consistently, make the pole vault Northeast's strongest field event. Edmondson, Stratton and Pennel will broad jump and Franklin, Stratton, freshman Warren LaSalle and Ronnie Williams, a 1961 letterman, are high jumpers.

The 1963 schedule:  
March 2—Southwestern Recreation Meet in Fort Worth, Tex.

March 9—East Texas All-College Meet in Commerce, Tex.

March 16—Shreveport Relays in Shreveport.

March 23—Louisiana Tech Triangular Meet in Ruston.

March 30—Florida Relays in Gainesville, Fla.

April 6—Mississippi State Triangular Meet in State College, Miss.

April 10—Northwestern Triangular Meet in Natchitoches.

April 13—Southwestern Relays in Lafayette.

April 20—Northwestern Relays in Natchitoches.

April 27—Northeast Triangular Meet in Monroe.

May 4—Northeast Invitational in Monroe.

May 11—Gulf States Conference Meet in Ruston.

# Reserves Sparkle As Tribe Trounces Spring Hill, 103-88

Northeast State came within one point of equalling its all-time high scoring total last Saturday night as the Indians blasted Spring Hill 103-88.

For the Indians, who set a new school field goal record with 41, the big gun was little Irby Gamble with 28 points, his highest total as a collegian.

Northeast, for the second time this season, was coached by Manager

Lanny Johnson, who replaced the ailing Coach Lenny Fant. Johnson also guided the team last fall when the Indians set their previous high field goal mark of 39.

Johnson, last year's all-American, used all 14 players on the squad in piling up the 103 points, and all but three broke into the scoring column.

Despite Gamble's high-point honors, freshman Albert Krause stole the show in the fading minutes of the game. The Sicily Island product, who had seen limited action in two earlier games this season, popped in three of three field goal attempts and two of two from the free throw line for eight points for the night.

It was actually Krause and another freshman, Billy Brooks from Jonesville, who shoved the Tribe above the century mark in scoring. Brooks tallied six points on one fielder and four charity tosses.

Other non-starters who turned in outstanding performances in reserve included Lawson Swearingen with four points and six rebounds and Larry Butler with six points and a like number of rebounds.

The Indians held a 51-33 bulge at intermission.

### SUCCESSFUL COACH

Lanny Johnson, a little All-American basketball star at Northeast Louisiana State last year, is proving a successful coach.

Johnson, who is serving as basketball manager after completing his eligibility, has coached the Northeast team in two games in the absence of Coach Lenny Fant. In the first game, Northeast set a school field goal record in defeating William Carey, 86-70. In the second, the Indians set a field goal record again with 41 and hit their season high of 103 points as they beat Spring Hill, 103-88.

Don't feel too badly... No one was seriously injured in the explosion...

### UNIMPRESSED

Northeast Louisiana State distance runner David Hankins is unimpressed by the recent rash of 50-mile hikes. Last spring Hankins ran 61 miles from Monroe to his home in Oak Grove, La., wearing out a pair of shoes in the process and leaving a mark few hikers would care to match.

## JOBS IN EUROPE

Grand Duchy of Luxembourg Mar. 1 1963 - Would you like to work at a Swiss resort, a Norwegian farm, a German factory, a construction site in Spain, or a summer camp in France? Thousands of paying summer jobs (some offering \$ 190 monthly) are available in Europe to U. S. students.

The American Student Information Service, celebrating its 6th Anniversary, will award TRAVEL GRANTS to first 1500 applicants.

For 20 - page Prospectus, complete selection of European jobs and Job Application (enclose \$ 1 for Prospectus, handling and airmail reply) write, naming your school, to: Dept. R, ASIS, 22 Ave. de la Liberte, Luxembourg City, Grand Duchy of Luxembourg. The first 8000 inquiries receive a \$ 1 coupon towards the purchase of the new student travel book, Earn, Learn & Travel in Europe.

## LITTLE MAN ON CAMPUS

## Intramural Scoreboard

The Magnificent "5" of the Independent League dominated intramural basketball play last week, downing three opponents without a defeat.

In the first game the "5" trounced the Smallfries, 67-39, with four men hitting in the double figures. Curtis Vistardis and Richard Ennon led the way with 16 points each, followed by Donald Ross with 15 and Daryl Webb with 14.

The next victory of the Magnificent "5" was not quite as impressive as Viscardis again paved the way with 21 points as the "5" squeaked by the Guns, 44-43. Zeke Zarro topped the Guns with 16 markers.

In the third victory for the "5", Viscardis sank 19 points to lead his teammates to a 60-51 verdict over the Cowards. Don Boniol matched Viscardis' 19 points for the losers.

In other Independent League action, the Raiders continued their winning ways, trouncing the Warmongers, 63-35, and edging the Cowards, 47-43. Pete Vincent and Milton Toups sparked the victory over the Warmongers with 16 and 14 points, respectively. Edward Chapman topped the losers with 17. G. Bartness tallied 12 points in the decision over the Cowards, while the losers' Billy

Daniels copped high-point honors with 19.

In the Organizational League, Demeter picked up two wins, 64-46 over STG and 31-28 over TKE. Chapman pumped in 22 for Demeter and Glynn Lightsey hooped in 20 for STG. Taylor paced the win over TKE with 17 points; Marion Edwards had 10 for the losers.

The Hawks also picked up an Organizational League verdict, dumping TKE, 43-17, behind Omar Driskill with 13 points. Franklin Boyd counted five for the losers.
