## Homecoming Elections Held Today

### Election Rules Are Released For Campaign

Election rules and regulations for the freshman elections were released Monday by Dean Sigler, Dean of Student Services and advisor to the SGA.

The highly competitive freshman class elections kicked off Monday, with candidates filling out application for class offices in the office of the Dean of Student Services, with candidates filling out an application for class office is Tuesday, Oct. 4, at 4:30 p.m.

Last year freshman voters swept Jimmy Roden and his entire ticket into office in the run-off election for freshman offices. Roden, a graduate of Jena High School, defeated in the election Bob Rowan, a graduate of Neville High School.

- Rules and Regulation**
1. Candidate's campaign expenditures shall not exceed \$25.00. This figure is to include all personal expenditures, gifts, donations, etc.
  2. Candidates will not display posters, handbills, campaign slogans.

### Reception Called Display Of Spirit

"It was a fine display of school spirit," was the way Coach Dixie White described the Sunday reception he and the football team received when they returned home following Northeast's first football victory over a major college opponent.

Headed by President Walker, fans greeted the first plane of Indians at 6 Sunday morning when it arrived from Greenville, N.C., where Northeast upset East Carolina, 21-14. Some of the fans had waited for three hours. Members of the Northeast band provided music. Another reception committee greeted the rest of the team when it arrived Sunday afternoon.

"On behalf of the players and coaches, I want to thank everyone for the reception at the airport, the telegrams we received at the game and the other expressions of support from students and other fans," Coach White said. "We also want to thank the members of Phi Mu sorority who had baskets of fruit for the players when they left for the game Friday. The other sororities and fraternities, other organizations and the student body as a whole have shown a lot of spirit. It makes the boys feel mighty good and we appreciate it very much.

**CHECK PRESENTED**—SGA Treasurer Walter Cochran presents Joe Barry Mullins, head of the Music Department, with a \$500 check contribution from SGA to the Harry S. Lemert Fine Arts Scholarship Fund, established by the SGA in 1963.

### Harry S. Lemert Fine Arts Scholarship Fund Is Endowed By SGA Contribution

The Harry S. Lemert Fine Arts Scholarship Fund, originally begun by the Student Government Association in 1963, was recently endowed with another contribution by the current SGA.

A contribution of \$500 marks the second time the Senate has appropriated money for the \$10,000 scholarship fund. This last contribution will bring the total to \$2095.72. Only the interest earned on this money will be used for scholarships.

**Fall Budget**  
 The first item of interest on the Sept. 22 meeting was the budget for the fall semester 1966. After reviewing last year's budget and considering the expected expenditures of the coming semester, the budget was proposed by the Finance Committee and presented by Walter Cochran, treasurer.

### Fall Figures Show Increase In Enrollment

Northeast's 1966 fall enrollment rose 16 per cent over the 1965 figure, reaching a total of 5,960 students.

Dr. Lake Oxford, registrar, announced the enrollment figure Wednesday which showed the number of students at Northeast increasing by 820 over last year's total of 5,140.

The number of students enrolled in the Graduate School increased by 28 per cent, rising by 155 students from 410 last year to 525 this fall.

There was a 10 per cent increase in the number of entering freshmen, from 1,719 in 1965 to 1,886 this year.

Northeast enrollment has nearly doubled over the past five years, increasing from 2,992 in 1961 to 5,960, an increase of 99 per cent. Over the past 10 years, enrollment has risen by 272 per cent.

Of this fall's students, 3,619 are men and 2,341 are women.

### 67 Coeds Seeking Crown, Six Spots In 34th Court

Six coeds, from a field of 67 girls, are being elected today to reign over Northeast's 34th Homecoming, Oct. 8.

This year's queen and her maid of honor will be the senior and junior entries receiving the highest number of votes. The court will consist of four girls, one representing each class.

The senior and junior representatives will be coeds who receive the second highest number of votes in their division, and the sophomore and freshman representatives will be the highest vote-getters in their classes.

The annual Northeast Homecoming television program will appear on KNOE-TV Sunday afternoon following the conclusion of the professional football game, probably between 2:30 and 3 p.m.

Voting is from 8:30 a.m. through 4 p.m. in the CUB Trophy Room.

# Annual Parade Downtown Will Begin Northeast 1966 Homecoming Festivities

Homecoming activities, centering around the game between Northeast's victorious Indians and Louisiana College, will be led off by the annual parade downtown, Saturday, Oct. 8, at 10 a.m.

Joy Woods, Miss Louisiana, and Kathy Mooney, Miss Northeast, will ride on a special, non-competitive float sponsored for them by Circle K.

The deadline for organizations to enter cars, floats, houses and build-

ings in the decoration competition is 12:30 p.m., Monday, Oct. 1. Fifteen dollars will be allotted by SGA to defray decoration costs for each float and building entry, and a maximum of 12 feet in height has been set for all floats.

### Prizes

Prizes are \$30 for first place car; \$75, \$50 and \$30 for the first, second and third place floats, and \$75, \$50 and \$30 for the first, second and third place houses and buildings.

Organizations may register at the information desk on the second floor

of the CUB, with Dr. Gary Brashier of the chemistry department (Stubbs 251), or with Walter J. Carey, president of ODK (322-8508).

Entries, whose decorations must center around the theme "Northeast — Grow! Grow!", will be judged on originality of idea, 30 points; development of idea, 40 points, and aesthetic qualities, 30 points.

Off-campus judges from the Monroe Women's Club will choose the car and float winners from the lined-up entries on Riverside Drive Saturday morning between 9 and 10 a.m. Houses and buildings will be judged from 10 to 11 a.m.

A bonfire, sponsored by Circle K, and pep rally (location tentatively scheduled for across the Bayou) highlight Friday night's events and will be followed by a street-dance in front of Gunby.

### Alumni Activities

Alumni activities will begin Saturday with registration from 9 a.m. til 4 p.m. upstairs in the CUB. A dutch treat luncheon at noon in Coenen Cafeteria, Open House from 2 til 4 in Masur, Slater, and Hanna Halls and a style show from 3 til 4 p.m. in the CUB auditorium are the afternoon alumni events.

Kick-off time is 7:30 p.m. at Ouachita Parish High School Stadium, with pre-game activities scheduled at 7:15.

President Walker will open half-time ceremonies, and Dr. George C. Brian will act as master of cere-

monies. The Homecoming Queen and her court will be presented during half-time and the new alumni president will be introduced.

After game activities include a dance for students in Gunby Dining Hall, featuring the Spectors, and an alumni dance at the Paragon Club, sponsored by the Ouachita Parish Alumni Chapter.

This is National Movie Week, and I want you all to rush out and see my new movie in which I portray the villainous lead; its called I WAS A TEENAGE SCRUB-WOMAN. It's a new kind of mystery movie — everybody knows who did it, but they never find out what it is he DID. I may not have to take such parts much longer, though, because of the money that's piling up from my new invention: Metrecal hair-tonic. It's for fatheads.

And speaking about new movies, there's one out now called PRISON TO PRISON, a romantic drama in which Boy meets Girl and Girl meets Quota and ends when they both sing, "You'll Wonder Where Your Cousin Went Since He Talked Against the Government."

Don't push a freshman down the stairs,

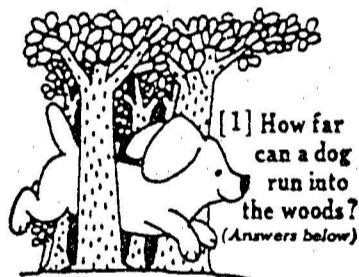

O kick his teeth in unawares,

Or with a hammer bash his bean —

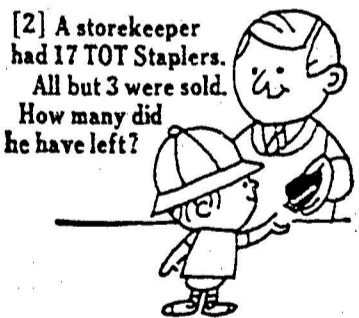

We want to keep our new buildings clean.

Since I'm out a roomie this semester, I guess I'll be compelled to discuss my one-and-only suite-

## In Our Opinion

# Why Not Join The Battle?

Northeast awaken, you now have the winningest football team in the last three years. But what are you doing to aid the team's performance?

This year's gridiron squad has already won more games than the squads of the last two years. In 1964 the record for the season was 0-8, last year 1-8, and this year the Indians already possess a 2-0 scoresheet.

Not only is the team undefeated this year, but both of their victories have been over foes which were picked to defeat the Indians. The squad opened with a 20-9 victory over Southeast Missouri and last week defeated East Carolina by 21-14.

East Carolina is a major football school which had been picked to win the Southern Conference crown this year. They were rated a six touchdown favorite, but the Indians

played heads-up ball and upset the Carolina team.

Each member of the squad and Coach Dixie White, plus his coaching aids, deserve a hand of applause. Tomorrow night the team takes on the Demons from Northwestern of Natchitoches in Monroe. Will you be there to support them?

What have you done to aid the team this season? Have you attended the games or showed your support at the pep rallies? A pep rally is being held at 6:30 tonight, why not be there? If you want a winning team, then support the team.

Coach White commented, "We'll be battling to get some more victories." Why not join in that battle and bring a winner back to Northeast.

# No Work Is Required

You don't have to be 21, you don't have to be married, you don't have to be a citizen of the United States, you don't have to be of any certain classification, but you do have to vote.

As a student of Northeast, you are given the opportunity to vote. If you want to muff it then that is your prerogative. You do have to vote, for without your voting nobody can be chosen.

At this particular time we happen to

have in mind the election of homecoming queen for the 1966 football season. Elections are being held today, beginning at 8:30 this morning and not ending until 4:00 this afternoon.

Is eight hours enough time to allow you to cast your ballot? If not, then let us know and we'll try and do something about it. The SGA is doing all the work, all you have to do is VOTE.

# Dead Day For Furman

We support the Senate resolution calling for a two-day period prior to exams, said the Furman University "Paladin," Greenville, S. C.

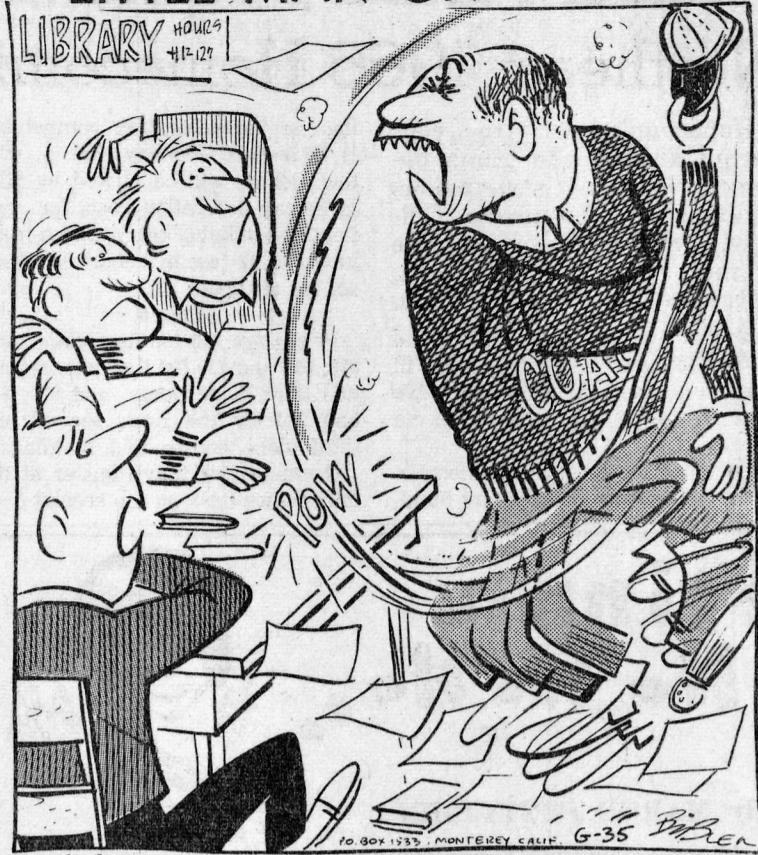

Schools such as Princeton, Harvard and Brown have extensive "reading days," in some cases as long as two weeks, and don't appear to be harmed by them. The administrative argument against such a practice is that "students don't use it." Everyone doesn't read his history parallel either, but

do professors stop assigning it? No. They make sure it is there for those students who are disciplined and conscientious enough to use it.

If it turns out there are students who think they can take off for a pre-exam vacation and still perform well on exams, let them go. Let us decide what we will do with our time. If we make mistakes, at least they will be our own.

(Associated Collegiate Press)

## LITTLE MAN ON CAMPUS

"WHAPPA-YA-MEAN YOU HAVE TO STUDY? DID YOU COME HERE TO STUDY OR PLAY FOOTBALL?"

## Editor's Notebook

By Pat Herlevic

History is crazy.

Julius Caesar took massages to raise hair on his bald Roman dome. Zeno, the philosopher, hanged himself at 98 because he had a finger out of joint.

Sir Francis Bacon believed claret wine was good for lawns and the troops of Alexander the Great played with yo-yos. The warriors, kings, queens, poets, players and philosophers in this world and out of it often lead a life of nonsense.

The crazy thing is that it's all true.

'Would you believe' that Queen Elizabeth I of England took a bath once a month whether she needed it or not, President Taft once got stuck in the White House tub or that Ludwig von Beethoven often composed in the bathtub for hours, and was often so absorbed that he let the water run over, flooding the apartment below? You wouldn't. Well, it's true.

### Writer's Cramps

"They say" writers live in another world and I'm beginning to believe it. Did you know that Robert Louis Stevenson wrote "Travels With a Donkey" on his honeymoon, Dr. Johnson drank 21 cups of tea at a single meal, Ben Jonson jokingly told King James I that he would like a square foot of Westminster Abbey, so the King had him buried there standing up?

Some more about those crazy writers. Carl Sandburg, the Pulitzer Prize poet, wore shoes with zippers and got them on and off by

working the zipper with the toe of his free foot.

Balzac ate 100 oysters, a pair of partridges, 12 lamb chops, a sole and a duckling — at one sitting. Lewis Carroll, author of "Alice in Wonderland," never went to the beach without a supply of large safety pins — in case some child required them. Dante Gabriel Rossetti buried all his unpublished manuscripts in his wife's grave.

### Show Business

Show business is no business. Richard Burton says, "It's strange and pleasant to have your hair cut by a woman."

Scarlet O'Hara of "Gone With the Wind" was originally called Pansy. Sarah Bernhardt, the celebrated French actress, traveled with a coffin which she sat in when serving tea.

Annie Oakley, the famous marks-woman of the West, sent out the first greeting card ever mailed in the USA. Flo Zigfield, the glori-fier of show girls, had 50 pairs of eyeglasses and W. C. Fields would bat a hand ball around his hotel room until he was properly thirsty, then depart for the bar with a clear conscience.

### Queens and Kings

Some of the quirks of those queens in history sound crazy — Cleopatra's favorite dessert was melon stuffed with onion, Empress Anne of Russia punished a prince for a misdemeanor by ordering him on pain of death to sit on a basket of eggs and cackle like a hen. Queen Eugenie, wife of Napoleon III, never wore the same pair of shoes twice and Elizabeth, Empress of Austria, slept with wet towels around her waist because she believed they kept her slender.

But the kings in history wouldn't be outdone by the queens. Fredericks the Great of Prussia often had his coffee made with champagne instead of water. Before going into battle, Napoleon sprinkled perfume on the shoulders of his horse. Henry III of France introduced earrings for men and insisted that all courtiers have their ears pierced. To form the royal symbol, Henry II of France interlaced his own initial with those of his wife and his mistress and Napoleon liked to promote generals with large noses.

## This Collegiate World

By Bob Molcany

Now that we have all managed to survive the first edition of the Pow Wow (28 pages), we will bring to you some more life on other campuses.

So you think that Northeast has crowded situations do you? Hendrix College of Conway, Ark., reports that crowding at their school has reached an emergency state. In several double-occupancy rooms three persons have been placed. Of 287 applications from women for this year, only 110 were accepted.

Northeast hasn't reached the tripling point, yet, but look out for the very near future.

A note for the frosh at Northeast. In a recent release of test results at a local college, it showed that freshmen scored higher on the test than their upper classmen. The freshmen class scored higher, on an average, than any class before them in spite of a steady rise in scores.

From the Associated Collegiate Press comes the idea of classes on a money basis. Suppose that \$21

were charged for three credit hours. Now, take for example a class in which the professor consistently arrives 10 to 15 late. Since he makes a habit of tardiness and teaches only part of the class period, shouldn't that class sell for about \$17.35. Or, on the other hand, the class where the teacher runs out of material 15 or 20 minutes before the hour and usually lets his class out early should be quite a bargain at \$12.60.

Could you imagine going up to a professor at registration and asking him, "Sir, are you an \$11.98 professor?"

Also, from the ACP comes a "Bird in the bunk" story. A pigeon and her mate flew in the open window of a McKendree College dormitory and decided they liked it there.

They set up housekeeping in the top bunk and soon there were four pigeons instead of two.

The mother spent most of her time caring for her newly hatched offspring. The residents of the Carnegie Hall room gave in to superior forces and vacated the bottom bunk.

Nothing would disturb the mother. The father, however, being a shy bird, usually left the room when visitors arrived. And, of course, Carnegie's residents chipped in to keep the mother partially supplied with food for her babies.

Seeking names for the pigeons, the students of the "bird" bunks turned down such names as LBJ, Lynda Bird and Lucie Bird. Instead, they decided they would give the baby pigeons the initials of their girl friends back home.

# New SGA Spirit Campaign Begins With Football Activities This Week

Tonight and tomorrow night should see the official beginning of Northeast's new spirit campaign. Headed by Pam Reed, the SGA Spirit Committee released last week the rules for the fall campaign.

Competing for the trophy will be the social sororities and fraternities in one category, and all independent organizations in a second category. The climax of the campaign this semester will be the awarding of first, second and third place awards to both competing categories.

Last year's winners of the school spirit awards were Kappa Alpha in the social category and Phi Delta Chi in the independent category.

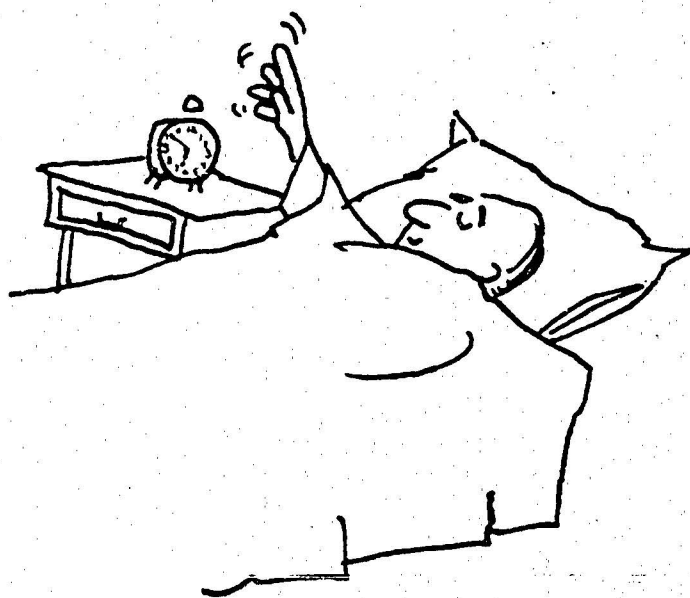

Miss Reed said that last week, due to the short notice of the pep

rally and the maze of week's activities, most groups were unable to get their signs and posters up. Also no points could be awarded for decorations at the game, since the game was played so far from home.

However Miss Reed said that tonight's pep rally, scheduled for 6 p.m. on the College Union steps, has been announced and that cheerleaders have been selling spirit ribbons throughout the week.

# What you do on October 4 may affect the rest of your life!

That's when the IBM interviewer will be on campus. When he'd like to talk with you—whatever your area of study, whatever your plans after graduation.

You'll find job opportunities at IBM in six major areas: Computer Applications, Programming, Finance and Administration, Research

and Development, Manufacturing and Marketing.

Some of these areas may not mean much to you—now. But just let the IBM interviewer explain a few of them. One may be just the career you're looking for. It could be the start of something big—your future with IBM.

**Whatever your immediate commitments, whatever your area of study, sign up for your on-campus interview with IBM, now.**

If, for some reason, you aren't able to arrange an interview, drop us a line. Write to: Manager of College Recruiting, IBM Corporation, Room 810, 1447 Peachtree Street, N.E., Atlanta, Georgia 30309. IBM is an Equal Opportunity Employer.

# Danforth Graduate Fellowships To Be Given 120 Seniors, Recent Graduates

Inquiries about the Danforth graduate Fellowships, to be awarded in March, 1967, are invited, according to Dean William K. Easley, the local campus representative. Dean Easley's office is located in Stubbs 222.

The Fellowships, offered by the Danforth Foundation of St. Louis, Mo., are open to men and women who are seniors or recent graduates of accredited colleges in the United States, who have serious in-

terest in college teaching as a career, and who plan to study for a Ph.D. in a field common to the undergraduate college. Applicants may be single or married, must be less than 30 years of age at the time of application, and may not have undertaken any graduate or professional study beyond the baccalaureate.

### Fellowship Candidates

Approximately 120 Fellowships will be awarded in March. Candidates must be nominated by liaison

officers of their undergraduate institutions by Nov. 1, 1966. The Foundation does not accept direct applications for the Fellowships.

Danforth Graduate Fellows are eligible for four years of financial assistance, with a maximum annual living stipend of \$2400 for single Fellows and \$2950 for married Fellows, plus tuition and fees. Dependency allowances are available. Financial need is not a condition for consideration.

Danforth Fellows may hold other fellowships such as Ford, Fulbright, National Science, Rhodes, Woodrow Wilson, etc. concurrently, and will be Danforth Fellows without stipend until the other awards lapse.

### Foundation Founded

The Danforth Foundation was founded in 1927 by the late William H. Danforth, St. Louis businessman and philanthropist. The Foundation's primary aim is to strengthen education through grants to schools, colleges, universities and other educational agencies.

### 7 Relatives Enrolled As NLSC Students

Mr. and Mrs. V. C. Mitchell of Delhi have seven close relatives enrolled at Northeast Louisiana State College.

Their daughter, Sherrie Mitchell, and a son, Eugene Washburn, are both freshmen. Another son, Mike Mitchell, and his wife Linda represent the sophomore class.

Another son, Billy F. Washburn and his wife Frances are juniors at NLSC, and son Jack Washburn is a member of the senior class.

To top it off, Mrs. Mitchell, a Delhi teacher, is an alumna of Northeast.

### CHARTERED BUS

All students wishing to attend out-of-town Northeast football games may do so via chartered bus. It is important that the number of students desiring to go to these games is known, as the Student Government Association must know the number of buses to charter for each trip. The approximate cost per round trip will be \$4. If you are interested in this plan, please fill in the form below, indicating which game or games you would like to attend. Deposit the completed form in the "Squawk Box" located in the trophy room of the CUB. (This will not assure you a place on the bus but will give the SGA an idea of about how many buses to charter.)

## Northeast Military Science Professor Attends Meeting

Lt. Col. Travis French, professor of military science at Northeast, returned last week from a Professor of Military Science Conference at Fourth Army Headquarters, Fort Sam Houston, Texas.

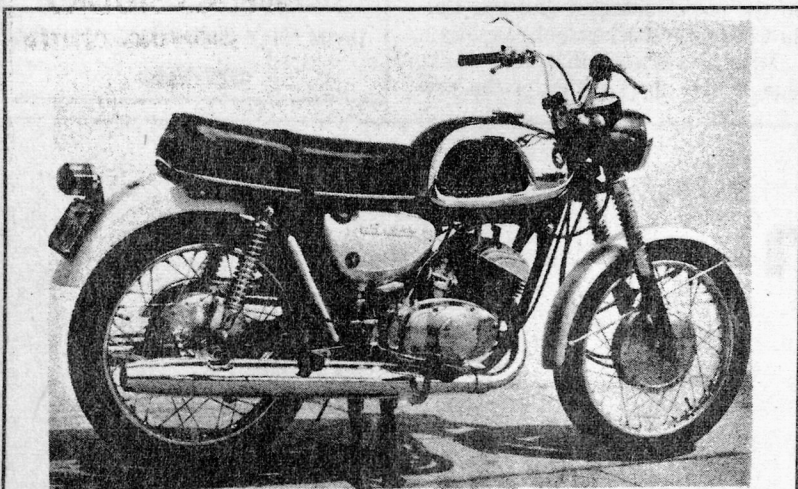

Approximately 60 professors of military science and senior Army Instructors, representing all colleges and secondary schools offering either the senior or junior Reserve Officer Training Corps programs in the five-state area of Texas, Arkansas, Louisiana, New Mexico and Oklahoma, met at the conference, which ran Monday and Tuesday.

Col. William J. Stover, deputy chief of staff for reserve forces, headed a panel of Fourth Army headquarters officers discussing such topics as the world situation, security of ROTC arms rooms, two-

and four-year ROTC scholarships, summer camp planning, enlisted promotions and the use of ROTC liaison officers.

One of the major advocates and supporters of the ROTC programs, Maj. Gen. William A. Harris, attended some sessions of the conference. General Harris, deputy commanding general of Fourth U.S. Army and commander of Fort Sam Houston, has devoted much time to liaison between military officials and civilian educators offering the ROTC program.

Lt. Col. French stated that the importance of the ROTC program to this nation's defense was vividly brought out when it was stated that 85 per cent of the second lieutenants now on active duty with the Army are ROTC graduates.

## Prof. Luffey To Attend Boston Meetings; Holt Issued Jet Fuel Improvement Patent

John L. Luffey, professor of accounting, is to attend two professional meetings in Boston, Mass., Oct. 1-5.

On Oct. 1 and 2, Luffey will be a representative to the meeting of the Association of Certified Public Accountant Examiners. He will be a delegate to the American Institute of Certified Public Accountants Oct. 3-5.

Both of these meetings are held

annually and are attended by CPA's from throughout the United States.

At both conventions, Luffey will be representing NLSC and the Society of Louisiana Certified Public Accountants.

In the spring of 1965, Luffey was named to a five-year term on the State Board of Certified Public Accountants, as a result of his contributions to the profession.

Dr. Robert L. Holt, associate professor of chemistry, has been issued

a US patent covering improvements in the preparation of jet fuel.

His method improves the process of converting propylene, a natural gas product, into jet fuel by use of a catalyst not used in other processes.

Dr. Holt joined the Northeast faculty in 1961. He teaches courses in organic chemistry, analytical chemistry and instrumental methods. His other research interests include coordination chemistry and organic mechanisms.

J. Bennie Andrews, assistant supervisor of scholarships, placement and alumni relations, has returned from a three-day meeting in Houston, Tex.

Andrews was a delegate to the 18th annual conference of the Southwest Placement Association.

The focus of the convention was centered on college placement in today's world. Approximately 300 persons from educational institutions, business firms and industries attended the meeting.

Northeast's new assistant professor of music and director of the Jazz Ensemble is John H. Thyssen of Rochester, N.Y.

Thyssen received both his bachelor and master in music degrees from Eastman School of Music where he taught before coming to Northeast. He is currently working on his Doctor of Musical Arts degree from the same institution.

He has participated in the Rochester Philharmonic Orchestra, the Eastman Chamber Orchestra, the Rochester Park Band and the Eastman Brass Quintet. He recently completed a national tour with the Quintet.

## Pres. Walker Addresses ODK Members At Meeting

President George T. Walker used as his topic, at the Omicron Delta Kappa Reception Sunday, "The Future of Northeast." Dr. Walker began, "I feel that the greatest development here at Northeast is the improvement of the several curricula and the continuing improvements and attainments of our faculty."

He stated that the future held much for Northeast — growth of facilities and a leveling of the enrollment. "Surely public support of higher education will determine Northeast's growth. And this support must be spread to all institutions as a group."

This public support is already evident here at Northeast, he said. While our enrollment did not reach the 6,000 mark, we still expanded in a variety of other directions. The percentage of faculty members who either have their doctorate or have all course work completed, is greater than any other State Board of Education. In addition the number

of graduate students enrolled at Northeast is more than double that of other well-known institutions in the state."

Dr. Walker spoke of two possibilities in the future of Northeast. One, the day when Northeast would first enroll 10,000 students is no longer a dream. And two, that amazing transformation of a "college" into a "university" is often an overnight occurrence.

Faculty members attending the reception included Dr. L. M. Mc Kneely, Dr. O. P. James, Dr. Edward C. Whitley, John Luffey, Daniel Alvarez, Patrick Garrett, Capt. John Taylor, Jack Rowan, Edward B. Shelby and Henderson B. Green.

Among the junior and sophomore men students invited to the reception were Charles Walker, Bob Rowan, Steve Huffman, James Rogers and Floyd Chaney, all of Monroe; Butch Hunter of Couchatta, Randy Smith of Shreveport and E. L. Walton of Alexandria.

Due to the late date the letter concerning insurance was sent out to students, the deadline for turning in applications has been extended to Oct. 15. Application forms may be picked up in Dean Sigler's office.

fripperies. Well, I'll tell, you — it's because she saves money in LITTLE ways. For example, one time when a neighbor's chicken fell into her swimming pool, she turned on the pool heater and had free soup for a week.

Saw an old roomie of mine the other day and she's now trying to gain weight. Right now she's so scrawny and has such bony legs every time she sits down, her knees make a fist. And she's so flat-footed that when she pulls off her shoes, her toes spread out like wagon wheels. She certainly has a sweet tooth — of course I suppose she'd look better if she had a few more.

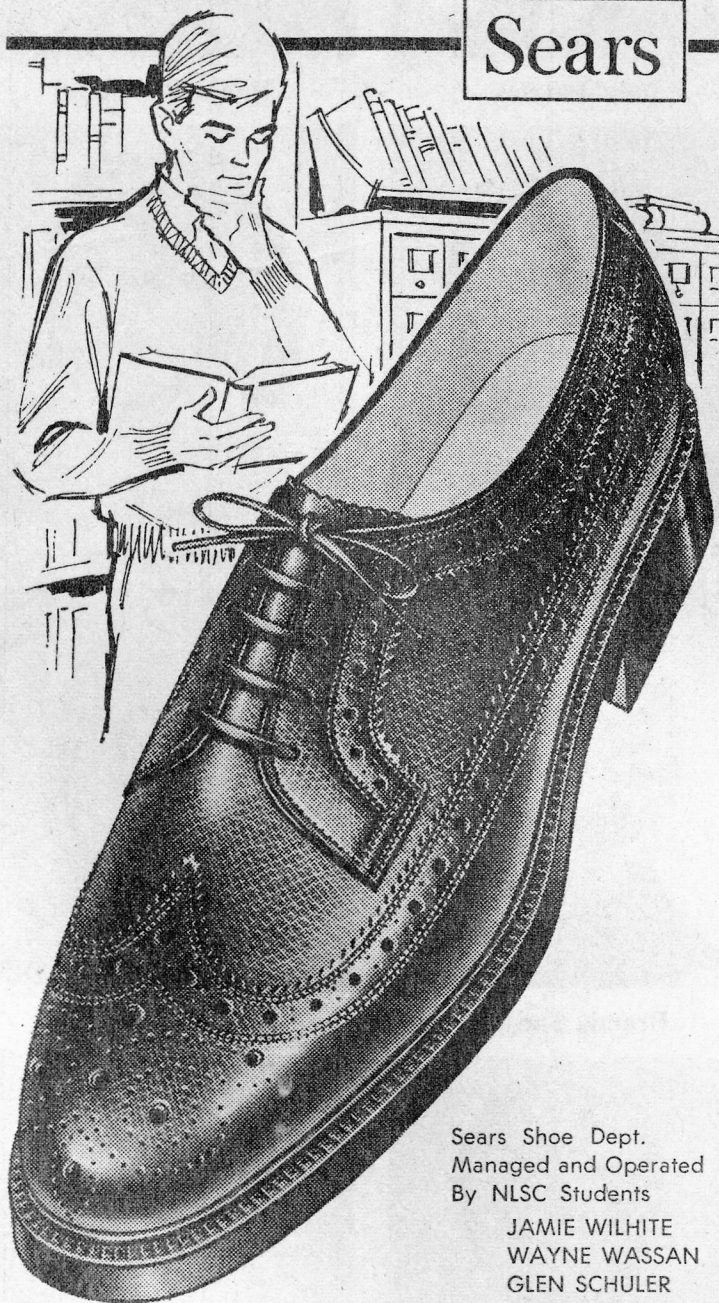

She showed me her engagement ring and became a little nettled when I said, "That's a beautiful ring — and it's nice to know that you're not marrying a spendthrift."

## Parish Selective Service Announces Nov. Test Dates

The Louisiana State Headquarters office of the US Selective Service has announced the Selective Service Qualifications Test will be given Friday and Saturday, Nov. 18 and 19.

State Director, Maj. Gen. Erbon Wise said this series of tests are similar to the four tests given in May and June.

Eligibility is limited to those who have not taken any of the previous draft deferment tests.

Mrs. Marjorie Harding, chief clerk of the local office, said all students, regardless of the location of their local board, may obtain applications to take the test by writing her office: Ouachita Parish Selective Service Office, Monroe Post Office Building, Monroe, La., or by coming in person and picking up an application at her office.

**Deadline**  
The deadline for filing applications is Friday, Oct. 21.

General Wise said applicants will be notified as to where and when the tests will be given.

The three-hour test, consisting of

150 multiple choice items, requires no formal education beyond the ordinary high school preparation for college.

The Ouachita Parish Selective Service has released figures showing that the parish will supply 46 men to the US armed forces during the month of October.

**Figures**  
According to Mrs. Harding, on Oct. 11, 23 men will be ordered to report for induction and 42 men will be required to take their physical examination. Then on Oct. 12, a second group of 23 men will be ordered to report for induction. On Oct. 13 and 20 a total of 112 men will be ordered to report for a physical examination.

All those inducted will be of the 1-A classification and among those will be some who were married prior to Aug. 26, 1965.

NORTHEAST's NEWEST sorority, Kappa Delta, announces fall semester pledge class officers: Pam David of Bastrop will serve as president; Sharon West of Monroe, vice presi-

dent; Susie Green of Marion, Ill., secretary; Peggy Ratcliff of Pineville, treasurer; Sandra Aycock also of Pineville, assistant treasurer; Cathy Sherman of Monroe, membership chairman; Linda Williams of West Monroe, assistant membership chairman, and Becky Butler of Arcadia, editor.

Peggy Windham is acting vice president, Panhellenic representative and pledge trainer of the newly-formed chapter while Sandy Ballard is serving as chapter co-ordinator. Mrs. Leona Good of Dallas, Tex., is National Chapterian and is also acting as president of the Delta Zeta Chapter.

SIG TAU WILL hold its annual

"Playboy Rush Dance" tonight from 8 to 11 at the Progressive Men's Club. The highlight of the dance will be the intermission when President Ron Thompson will crown Sigma Tau Gamma's "playmate of the year."

Rush girls nominated for the playmate award are Jennie Claire Carroll, Susan Carter, Donna Anderson, Janis Brandon, Gayle Butler, Sandy Ussery, Judy Clutchey, Sharon Harrelson, Fran Carroll, Brenda Perry, Brenda Green and Beverly Najt.

Sig Tau's final smoker is scheduled for 2 p.m. Sunday at the fraternity house, located across the street from Hudson Hall.

Congratulations to Gary Pappas upon his engagement to Gayle Butler.

PHI MU MEMBERS and pledges entertained girls going through open rush at an informal coke party Friday night at Jean Carter's. Refreshments were served and entertainment was provided by the members. Receiving ribbons were Mary Ann Golden of Jonesboro, Ann Benbow and Kay Riser of Shreveport,

Lynn Meyers and Glynn Meyers of Denham Springs and Vicki Tazuin of Jena.

New Phi Mu pledge class officers are Brenda Smith, president; Karen Sibley, vice president; Peggy Gates, secretary; Susan Carter, treasurer; Janet Hood, social chairman, and Coy Swett, songleader.

Nominated to represent Phi Mu in the homecoming court elections are senior Linda Blair, junior Sandy Ussery, sophomore Alice Godwin and freshman Susan Carter.

Congratulations to Phi Mu Alice Godwin who is the new Phi Delta Chi Sweetheart.

AOPi PLEDGES have elected Barbara Jo Williams as president of the fall pledge class. Other officers are Carolyn Ballard, vice president; Judy King, corresponding secretary; Linda Barras, scholarship chairman; Jenny Jerry songleader, and Muff McGinty, social chairman. The official pledging ceremony was held Monday evening in the CUB.

AOPi has decided not to compete officially in the SGA spirit campaign. "We feel that spirit can be better promoted by participating in the campaign for the increased school spirit campaign when that spirit is the only goal of our activities. We will continue to support the team in every way possible, but without the goal of amassing points in an official competition," explains one spokesman for the chapter.

Congratulations to all AOPi's who have been nominated for the home-

coming court. Girls nominated are Merle Albert, Monte Sue Ballard, Jennie Claire Carroll, Donna Anderson, Janis Brandon, Leigh Gregg, Carolyn Rea, Pam Reed, Pat Crowson, Jenny Perry, Carol Johnson and Marge Pettyjohn.

THE KA RUSH dance will be held tonight from 7:30 to 11 at the Columbus Social Club, with music by the Excuses. KA's urge all rushees to attend each party if possible.

Sunday the "Southern Gentlemen" will hold their final smoker at their "mansion" at 4110 Loop Road at 2 p.m.

ZETA IS PROUD to announce these additions to the fall pledge class: Jean Mathias and Julie McCullar, Shreveport; Phyllis Reed, Mamou, and Linda Szivos, Ville Platte.

Monday night Michele Aldridge, scholarship chairman, outlined the revised chapter scholarship program and as a treat gave each member and pledge a white satin Zeta Lady Bookmarker.

Other activities of Zeta this week are the pledges having secret sisters and group church attendance at St. Mark's Methodist Church where Zeta Marilyn Evans' father is minister.

Zeta wishes to extend congratulations to the following homecoming contestants: Barbara Sweet, Peggy Hotard, Shannon Green, Rachel Dillon, Marilyn Evans, Karen Morris, Linda Szivos, Robin Pendleton and Dorothy Parra.

All Zetas are asked to wear white dresses for the next Monday night meeting.

THE WISHES to congratulate Mr. Daniel Alvarez, their new faculty advisor, and George Doherty on their initiation into the fraternity last Friday.

Also the Tekes are proud of Frater Gary Bankston, IFC President, who was selected as the outstanding Teke in the Southern region. His picture appeared in the "Teke," the fraternity's national magazine.

# Wells Talks At Smoker

"Every fraternity possesses leadership, scholarship and brotherhood," Lavon Wells, regional supervisor of Tau Kappa Epsilon, told Northeast's fraternity actives and rushees at the Inter-fraternity Council convocation Monday night.

Wells went on to point out that national statistics show that 80 per cent of campus leaders are members of fraternities and that chances

of graduation are 71 per cent better for Greeks than for those who are not members of fraternities or sororities.

Speaking of the brotherhood in fraternities, Wells said that there is a common bond between members wherever they go which will open doors of new friendships.

"Fraternities," he said, "cost more than money. They cost time, effort, cooperation and loyalty, but they have been worthwhile to thousands of men."

Gary Bankston of TKE acted as moderator for the convocation and introduced the presidents of Northeast's three fraternities, Sigma Tau Gamma, Kappa Alpha Order and TKE, who spoke briefly on their respective fraternities. Also Dean Jack V. Collins discussed the fraternity system and the function of the IFC on campus.

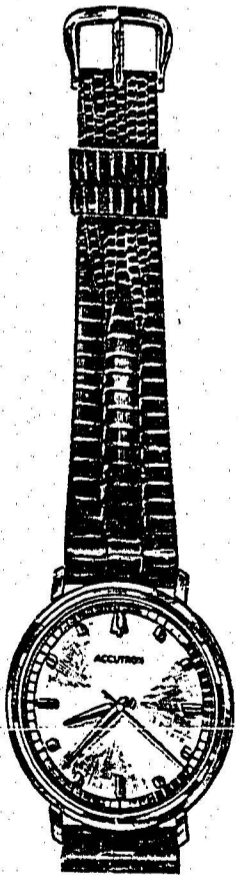

DEAN JACK V. COLLINS welcomes speaker Lavon Wells to the IFC convocation Monday night in the CUB auditorium, as IFC Gary Bankston looks on.

## Tickets In Demand According To Fan

Demand for tickets for the Saturday night game here between the last two undefeated teams in the Gulf States Conference, Northeast and Northwestern, has been the heaviest in years, according to Northeast ticket manager Len Fant.

Fant urged fans desiring to see the game to place their tickets as soon as possible in order to be sure of obtaining seats. "We still have some desirable seats but they are going fast," Fant said.

Reserved seat tickets sell for \$2.50 apiece. Orders may be placed by calling the Northeast athletic office at 325-1804 or 325-6361, extension 261.

The Saturday night game will begin at 7:30 in Ouachita Parish High School Stadium. Northeast has a 2-0 record and Northwestern 1-1.

## Indians Face Explosive 11 In Tilt Here

Northeast, after its greatest football victory in the school's history against East Carolina, encounters explosive Northwestern State College at Ouachita Stadium tomorrow night.

The Northeast offense will have to produce at high gear when they meet the Demons in the initial Gulf State Conference game for both teams.

Last week Northwestern displayed its offensive powers with a 49-0 win over Louisiana College while Northeast was upsetting East Carolina, 21-14.

### Good Offense

With the scoring displayed by Northwestern, the Indians' defense will have to be at its best to contain the Demons.

Coach Dixie White commented, "Against East Carolina our offense did a particularly fine job. I was disappointed in our defense. We gave up too many yards and we'll have to pick up the pace in that department."

He did, however, praise two members of the defense, "On defense, our nose guard, Greg Jubert, did a fine job and linebacker Ron Gaetano was also outstanding again."

The offensive machinery will be led this week by former sprinter Dalton LeBlanc, junior fullback Bobby Scafel and sophomore quarterback Steve Mansur. LeBlanc leads the team in rushing with 181 yards and quarterback Mansur is the total offensive leader with 223 yards of which 146 came on the ground. Line busting fullback Scafel is third in rushing with 132 yards.

Alton Thomas, senior halfback, has 100 yards on only 12 carries. Coach White said of Thomas, "We had planned to play Alton more on offense Saturday but we needed him on defense and David Elkin did such a good job in his place we just let him stay in on defense the rest of the way." This indicates the value of Thomas as a two-way performer as are numerous other Indian players.

# Tribe Stuns East Carolina In 21-14 Offensive Battle

Grim determination and the ability to come up with the crucial play at the right time gave Northeast a 21-14 upset win over major college East Carolina last Saturday in Greenville, N. C.

The Indians, humiliated by the Pirates 45-0 last season, hit for the first score, then fell behind 14-7 before roaring back with third and fourth period scores to shock a crowd of 14,130, the largest ever to see the Tribe compete.

Sticking mainly to the running game, the Indians broke quarterback Steve Mansur open for a 40-yard TD gallop in the opening quarter.

The single-wing Pirates capped a 69-yard drive late in the first half with tailback Bill Bailey going over from the nine yard line and the Southern Conference power ran into the lead early in the third with a three-yard spurt by Jim Flowe.

### LeBlanc Scores

After East Carolina went ahead Northeast tallied twice with former track star Dalton LeBlanc ripping over behind the tremendous blocking efforts of the Northeast offensive line.

LeBlanc put an end to a 70-yard drive in the third with a three-yard spurt and Clarke Blake added his second PAT to tie the score 14-14.

LeBlanc put the game in the Northeast bag in the fourth with a 63-yard scoring run that came after the Indians put up a successful last ditch defensive stand and took over on their own 10 yard line. The Tribe then marched to its own 37 in five plays before lightning LeBlanc lit out for the end zone.

### Best Record

The victory gives Northeast a 2-0 record, the best early season mark for the Indians since 1958. The Tribe knocked off Southeast Missouri 20-9 to start the season.

Northeast finished the game with

**HEAD MAN**—Sophomore Steve Mansur has quarterbacked Northeast to two wins in as many games this season. Mansur is leading the Indians in passing with 8 of 21 for 77 yards, is second in rushing with 146 yards in 28 carries, and has averaged 111.5 yards a game to lead in total offense.

a total of 331 yards on the ground against 274 for the Pirates.

The Tribe defenders did an outstanding job and preserved the victory with stops of two Pirate drives late in the fourth. Even after the Indians swept back into the lead, East Carolina had 10 minutes to produce a score. But Northeast held three consecutive times and forced a fumble on the last drive that insured the win.

## Intramural Golf, Tennis Entries Due

Entries are now being taken by the men's intramural department for golf, tennis singles and tennis doubles.

The deadline for entering these single elimination tournaments has been set for Friday, Oct. 7, at 12 noon, and play will begin the following Wednesday. All entries will be classed in either the independent or organization league.

Flag football will begin play Tuesday, Oct. 4. Students participating in this event are asked to stop by the intramural office to pick up a schedule of all the games anytime after noon Monday.

The new director of Northeast's intramural program is John W. Nipper, formerly of the University of Tennessee. Nipper, assistant professor of health and physical education, and D. W. McRaney, assistant director of intramurals, are encouraging all men students to participate in NLSC's enlarged program of intramural athletics.

# Northeast Basketball Schedule Announced

Northeast State's basketball team will tackle a 24-game schedule that includes a December 1 opener at home against Southeast Conference power Mississippi State and two tournaments.

Athletic Director Dixie White in announcing the schedule said the team will play 19 single games—10 at home and 9 away—the Arkansas Intercollegiate Conference Holiday Tournament in Magnolia, Ark., and the Rapides Parish Nurses Benefit Tournament in Pineville.

Both tournaments will have consolation brackets and coach Lenny Fant's Northeast club will play three games in Magnolia and two in Pineville.

### Tournament Play

Entered in the Dec. 28-29-30 Arkansas meet are Northeast, Sam Houston of the Lone Star Conference and Arkansas State Teachers, Ouachita Baptist, Henderson State, Arkansas College, College of the Ozarks and host Southern State of the Arkansas Intercollegiate Conference.

Northwestern, Arkansas State and host Louisiana College are the other teams entered at Pineville Jan. 26-27.

Northeast's first GSC home game will be Dec. 13 when the Indians and league champ Southwestern meet here.

Final contest of the season will be March 3 with Louisiana Tech at Ruston.

Last season's Indians compiled a 16-8 record for their fifth consecutive winning mark. Four lettermen are missing from that team — two-time all-BSC guard Tommy Enloe, Billy Brooks, James Brian and Lawson Swearingen. Six return, headed by all-conference Glynn Sautiers.

# Look Fans, No Shoes!

One of the things Northeast State freshman punting star, Ronny Holland, likes about college football is that people let him take off his shoes.

Last year when Holland was leading Arcadia High School's football team to the state championship and winning just about every individual honor in sight, he had to punt with his shoes on — high school football safety rules demand full equipment at all times.

College rules make no such demands and when he trots out to punt for Northeast, Holland leaves his right shoe on the sidelines.

"My foot hits the ball more solidly when I kick without the shoe," the freshman star says. "I can get more distance and I'm more accurate."

Holland had distance and accuracy to spare in Northeast's opening victory against Southeast Missouri. The 19-year-old rookie punted three times — one sailed 65 yards, another went 42 yards and rolled dead on the six and the other went 31 yards and was downed on the two-yard line. His average for the three was 46.0 yards — a Northeast record.

Last week against East Carolina state he booted six punts 205 yards for an average of 34.1 yards per kick.

Holland's 65-yard kick was not his longest ever, not by a long shot. Last year in a state playoff game against Sacred Heart of Ville Platte, Ronny boomed one 77 yards to the one-yard line, leading to a safety for his team a few minutes later. That was a quick kick. Northeast coaches feel that with a little time to wind up and more experience, Ronny can boot one farther than that.

Holland played tailback in Arcadia's Notre Dame box attack and is a T quarterback in the Northeast offense.

"Playing quarterback was hard for me to catch on to at first. It's a lot different. I'm getting better but I've still got a lot to learn."

# Boy's Bowling League Opens With Eight Teams

The Tuesday Night Major League for Northeast Louisiana State College students was off to a good start last Tuesday with four teams garnering three game wins from each of their opponents.

The Alley Rats, last year's runner-up, were led by Trellis Massie with a 530 series. Massie, winner of last year's high average award, put together three games with consistency for his team while Larry Lamb posted a 470 to lead Team No. 2, the losers.

Jim Prunce led Team No. 8 to a 3-1 win over the Bombs by leading off with a 234 first game and a 517 series for the night. Bruce Crisler, just out of the ranks of American Junior Bowling Congress, posted a 535 to win the high series for the night.

The Green Hornets posted a 3-1 victory over the V. I. P.'s as Benny Fortenberry led the victors with a 523 series. Luther Richard of the losers posted a 463 to lead his team. The Sleezes toppled the No. 5 team, Gary Trosclair leading the winners with a 448 total. John Di Maria rolled a 491 series to lead team No. 5.

# Indian Golfer Records Ace

Indian golfer Dave Traylor of Shreveport shot his first hole-in-one last Thursday, Sept. 22, on Monroe's Municipal Golf Course.

The ace came with a nine iron shot on the 109-yard No. 2 hole while he was playing in a foursome with other Northeast golfers Fletcher White, Paul Hensell and Wayne Paddy.

Traylor, a freshman, will be a rookie member of this spring's 1967 NESC golf team.

# Prof. Of Military Science Announces Fifteen Coeds To Serve As Sponsors

Lt. Col. Travis A. French, professor of military science, announced this week the names of 15 coeds who will serve as ROTC sponsors for the 1966-67 school year.

The brigade sponsor ("Little Colonel") is Marge Pettyjohn of Monroe. A senior majoring in journalism, she was an NLSC cheerleader and a Chacahoula beauty two years.

She is presently a news editor of the Pow Wow, activities chairman for Alpha Omicron Pi sorority, treasurer of Alpha Chi Alpha journalism fraternity and reporter for Sigma Tau Delta honorary English fraternity.

Band sponsor is Linda Clark of Oak Grove. Linda, a second-year sponsor, is a sophomore majoring in music.

Carolyn Thompson of Calhoun has been chosen as sponsor for the Fusileers, the brigade drill team. Carolyn, a sophomore majoring in H&PE, is a member of the H&PE Club.

### First Battalion

Charlotte Pitts of Monroe is the first battalion sponsor. She is a sophomore majoring in office administration.

A Company sponsor is Linda Blair of Monroe, a senior majoring in elementary education. Linda is president of Phi Mu sorority and the Women's Council and is a member of Senior Board. She has been a member of the Student-Faculty

Committee on Lectures, Concerts and Assemblies.

Cheryl Thompson of West Monroe will be the sponsor for B Company. Cheryl is a sophomore majoring in office administration.

C Company sponsor is Jo Ann Fazio of Chalmette. She is a junior majoring in business education and is a member of the Accounting Club, the Newman Club and NCAS.

### Second Battalion

At the head of second battalion is Monte Sue Ballard of Shreveport, battalion sponsor. A senior majoring in English education, she is presently serving as secretary of the Student Government Association. She is vice president of the Panhellenic Council and is a member of Alpha Omicron Pi sorority. She has been a Chacahoula beauty and was a 1965-66 Circle K Calendar Girl.

Susan Carter of Mer Rouge will be D Company sponsor. Susan is a freshman majoring in art and is a member of the NLSC Dance and Drill Team and Phi Mu sorority.

## Kappa Delta VP Discusses Plans

Peggy Windham, acting vice president of Kappa Delta, revealed future plans of Northeast's new social sorority and its aims on this campus.

"KD is preparing for homecoming festivities," says Peggy. "We want to support the school in every way possible. Also, social service projects are being organized and KD is also getting plans underway for a gala Christmas formal."

The Delta Zeta Chapter of KD will be given its charter in February when the national officers arrive on campus. For this occasion the new chapter is planning banquets, teas and ceremonies.

Next summer several NLSC Kappa Delta's will hang the shield of the chapter at the national convention in San Francisco. Also some of the new members will sign their names to the chapter charter, which will be held as a permanent record.

## Attention!

Dean Herman Sigler has announced that the Nicholson Hall, Cosper Hall and Harris Hall parking lots have been designated Zone 1 areas and students with Zone 1 automobile decals may park in them.

The sale of mums for Homecoming, conducted by the Social Science Club of NLSC, will begin on Monday, Oct. 3. You may place your order in the Trophy Room beginning at 8 a.m. and continuing until 5 p.m. Mums will be sold at the price of \$1.50 each. Football players desiring to have their numbers placed on a mum may do so.

Circle K 1966-67 calendars are now available through the NLSC Bookstore. All of the annual activities are listed in the calendars, being sold at a price of \$.50 each.

Permanent I.D. Cards will be issued from 8 a.m. to noon tomorrow and from 9 a.m. to 2 p.m. Monday in the Trophy Room of the CUB, according to James H. Nicholson, dean of administration.

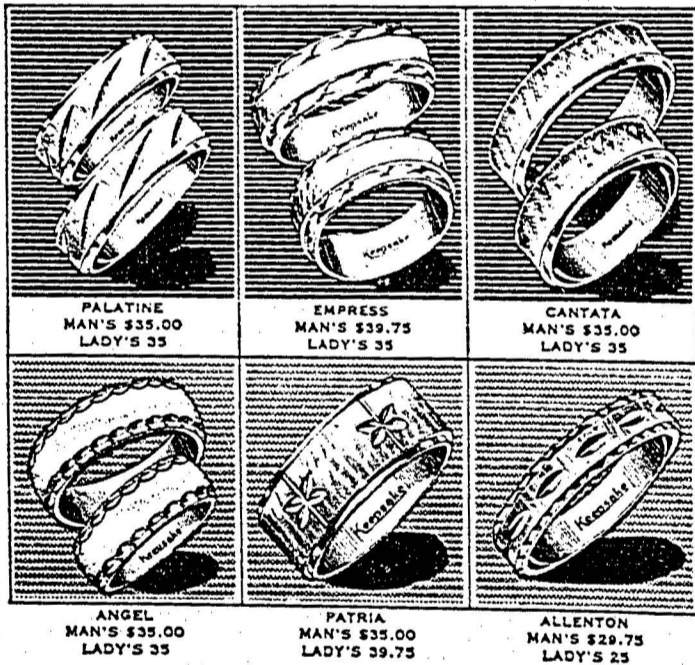

The NLSC Bookstore has changed its working hours to accommodate the influx of additional students. Now effective, the bookstore will be open from 7:30 a.m. until 6 p.m., including the noon hour.

The Woodrow Wilson National Fellowship Foundation is now accepting applications for the 1966-67 school year available through Oct. 31, 1966. Any student interested in such a fellowship or any faculty member wanting to nominate a student should contact his academic dean.
