## Honors Day Program Set Wednesday

### Awards Presentation Slated For 8 p.m. In Brown Aud.

Northeast will hold its annual Honors Day program on Wednesday, May 10, at 8 p.m., in Brown Auditorium, according to Davis Bingham, chairman of the Lectures and Concerts Committee.

President George T. Walker will preside over the ceremonies. The event has been set at night this year so the academic day will not be interrupted.

Chairs have been reserved on the stage for all persons who will present awards and on the platform for all 1967-68 SGA officers.

All trophies, medals, plaques, and

certificates to be presented by President Walker must be brought to the stage in Brown on May 10 between 3 and 4 p.m.

It is important that a label be attached securely to each award for easy identification.

#### Notify Recipients

All individuals and organizations who are presenting awards are asked to notify their recipients in advance and instruct them to arrive at the auditorium not later than 7:45 to register their presence with John Upchurch.

Seats have been reserved in front of the auditorium for all recipients of awards except those to be tapped by ODK and Senior Board.

The program will begin with installation of new SGA officers.

#### Outgoing SGA President

A speech will be given by outgoing president Dalton LeBlanc after which President Walker will administer the oath of office to new SGA officers.

The outstanding events of the program will be the awards given by the Senior Board, ODK and Who's Who.

**BEAUTIFICATION PROJECT**—Members of Alpha Omicron Pi social sorority, to help support the beautification program of the City of Monroe, set up a booth in the CUB Trophy Room last week to inform NLSC of the project. AOPi's Monte Sue

Ballard (left) and Mickey Murphey tell Bobby Hawkins that the crepe myrtle has been selected as the flower of Monroe. Other Northeast organizations are helping in the city program.

### Openings For Summer Tour

Only four openings are left on the Northeast summer study Tour of Greece, Egypt and the Near East, according to the Tom McCann, tour director.

June 2 is the deadline for reserving a place on the tour, which will cover Greece, Egypt, Lebanon, Syria, Israel, Jordan and Turkey.

Any high school graduate is eligible to make the tour, McCann said. College credits, either undergraduate or graduate, can be earned on the tour, which will last Aug. 3-24.

Interested persons can obtain more information by contacting McCann, phone 325-6361, extension 236.

## Annual Student Art Show In Progress; Projects On Display Through May 15

The annual Student Art Show opened Sunday and the display of the student projects will continue through May 15 in the College Union Building.

The display consists of the best examples of student projects that

were created in Northeast's art classes during the fall and spring semesters. Dr. William T. Persick, head of the Department of Art, said.

#### On Display

The student projects on display on the second floor of the CUB consist of drawings, water colors, oil paintings, sculpture, ceramics, three-dimensional design problems, basic designs problems and advertising design.

Selection of the student works was conducted by the art faculty and the works were chosen on the basis that they possessed enough quality to be included in the permanent student collection.

The art department head said that he hopes to have the display of student projects in the CUB to be circulated through Northeast Louisiana and especially the high schools in this area.

"The permanent student collection represents the highest quality work produced by Northeast art students," Dr. Persick continued.

#### Senior Exhibitions

In conjunction with the annual Student Art Show, two senior art exhibitions are also on view on the second floor of the CUB.

The two senior art majors are Ray Ainsworth of Vidalia and Brenda Sue Hughes of Bastrop.

Ainsworth, who is majoring in advertising design, will display various projects in advertising design.

Majoring in oil painting, Miss Hughes will exhibit works that are the result of her advanced classes in painting and her senior art project. The senior art project is two semesters of work in one area of concentration with individual direction and study by the student.

## Registration Begins June 1 For Both Summer Sessions

Registration for both terms of Northeast's 1967 Summer Session, the first to consist of two six-week terms, will begin June 1.

institution of all the State colleges and universities to begin a year-round program of 48 weeks of instruction.

Classes will begin June 2 with dormitories opening for all students at 10 a.m. May 31.

Classes will begin in the second six-week term on July 12, and summer commencement exercises will be held Aug. 19.

Five to six credit hours per term is considered a normal load during the summer session. However, with the permission of his academic dean, a student may schedule a maximum of seven semester hours per term.

Under the College's new program of two regular semesters and two six-week summer terms, students have the opportunity to earn a maximum of 56 semester hours a year—14 in summer school and 21 in each of the two regular semesters.

To avoid delay in registration for the summer session, students now enrolled at Northeast should file with the registrar's office a card requesting registration material.

All new transfer students must file an application for admission and a physical examination form with the Northeast admissions office.

## Two Are Added To Social Group

Two more social fraternities are coming on campus at Northeast, bringing the total to five.

Dean of Men Jack V. Collins said Kappa Sigma will issue a chapter charter tomorrow at a dinner to be attended by college officials and guests from the fraternity's national office in Charlottesville, Va.

Zeta Beta Tau, with headquarters in New York, is making plans to colonize at NLSC in the near future, and after certain prerequisites are met it is expected a chapter will be formed.

Collins said that both fraternities are well-known nationally. Zeta Beta Tau is ranked fifth scholastically in the United States, according to Interfraternity Council statistics.

The other three Northeast fraternities are Tau Kappa Epsilon, and Kappa Alpha, both of which came on campus in 1956, and Sigma Tau Gamma, which established a Northeast chapter in 1960.

### Second Semester, 1966-67

Students who are currently enrolled and plan to attend either of the 1967 Summer Terms should declare their intention to do so by completing a card in the Registrar's Office. The student number is required to complete this card.

#### Regular Classes

8MWF & MW classes	Thursday, May 18, 8:00- 9:50 A.M.
4MWF classes	Thursday, May 18, 10:00-11:50 A.M.
1MWF & MW classes	Thursday, May 18, 1:00- 2:50 P.M.
1TT classes	Thursday, May 18, 3:00- 4:50 P.M.
8TTS & TT classes	Friday, May 19, 8:00- 9:50 A.M.
9TTS & TT classes	Friday, May 19, 10:00-11:50 A.M.
10MWF & MW classes	Friday, May 19, 1:00- 2:50 P.M.
12TT classes	Friday, May 19, 3:00- 4:50 P.M.
9MWF & MW classes	Saturday, May 20, 8:00- 9:50 A.M.
3TT classes	Saturday, May 20, 10:00-11:50 A.M.
12MWF & MW classes	Monday, May 22, 8:00- 9:50 A.M.
3MWF & MW classes	Monday, May 22, 10:00-11:50 A.M.
2MWF & MW classes	Monday, May 22, 1:00- 2:50 P.M.
1TTTS & TT classes	Monday, May 22, 3:00- 4:50 P.M.
11MWF & MW classes	Tuesday, May 23, 8:00- 9:50 A.M.
10TTS & TT classes	Tuesday, May 23, 10:00-11:50 A.M.
2TT classes	Tuesday, May 23, 1:00- 2:50 P.M.
2:30 TT classes	Tuesday, May 23, 1:00- 2:50 P.M.
4TT classes	Tuesday, May 23, 3:00- 4:50 P.M.

Note: 1. All regular classes will not meet on Review Day, Wednesday, May 17. Evening and special classes will meet as usual.

2. All regular classes, including military science and laboratory groups, will observe the above schedule

3. The tabulated time is, in general, the first class meeting of the week. Exceptions are:

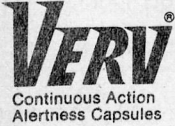

- Use lecture hour rather than laboratory period.
- Use first full class hour if the class meets more than one hour per day.

Examinations for special classes are to be given at the last period the classes would normally have met during the period, Tuesday, May 16-Monday, May 22.

**SGA**

**Government Announces New Change In Selection Of Who's Who Candidates**

A change in the selection of candidates to be named to Who's Who in American Colleges and Universities was announced at the April 27 meeting of the Student Government Association.

The candidates are to be selected at the end of the spring semester instead of the fall semester, to benefit those students who will be scheduling job interviews their senior year. The change was suggested by the national organization of

Who's Who in American Colleges and Universities.

In other action Billy Coenen reported that his sign committee investigated sites for highway signs with Dean Nicholson. The proposal has been turned over to Nicholson to discuss with the highway department.

In the absence of Pharmacy senator Cortez Hutchinson, chairman of the finance committee, Billy Walker proposed that the SGA allocate \$500 to the Harry Lemert Scholarship Fund. The motion passed.

Janis Brandon, chairman of the campus beautification committee, asked Dean Nicholson for approval for SGA to buy trash cans for the campus, but got no definite approval.

In closing the last meeting of the 1966-67 year, outgoing president Dalton LeBlanc thanked the senators for their cooperation and said that the past year has been "a good experience for all of us."

**Summer Music Camp Set For Northeast June 4-17**

The annual Summer Music Camp at Northeast has been scheduled June 4-17, with a variety of choral and instrumental music instruction to be available.

Camp Director B. Mack Hearne, assistant professor of music, said about 150 junior high and high school students are expected to attend the two-week session.

Instrumental instruction to be offered includes concert band work, string classes, technique classes,

sessions in solo and ensemble playing and twirling and drum majoring classes.

The choral division of the camp will offer instruction in concert choir performance, diction, small ensemble presentations, private voice lessons and voice classes.

Cost for the period, including meals, is \$55. Students commuting to camp will pay \$35. No meals are included in the \$35 fee.

Registration forms are available from Hearne or Joe Barry Mullins.

**SPECIAL SUMMER COURSES at BERKLEE school of music**

- SPECIAL CLASSES IN: modern harmony - arranging improvisation - stage band combo - jazz workshop
- PRIVATE INSTRUMENTAL INSTRUCTION
- REGULAR FACULTY IN RESIDENCE INCLUDES: John LaPorta Herb Pomeroy Ray Santisi Al Dawson Joe Viola Phil Wilson
- ENTIRE SCHOOL IS AIR-CONDITIONED AND HUMIDITY-CONTROLLED

**Follow that MAN**

— one of the thousands of Louisiana graduates looking for a good job. He's hoping to find a challenging future right here in Louisiana. To back him up, each of the five Investor-Owned electric companies maintains an industrial development staff to help keep new industries coming into our state. These specialists join with the Governor, Department of Commerce and Industry, and local groups to boost new payrolls for Louisiana. Over a billion dollars worth of new business has located here in the past two years—and more is on the way!

Let's keep good things going for Louisiana with electric service from the **INVESTOR-OWNED ELECTRIC LIGHT & POWER COMPANIES OF LOUISIANA!** • Louisiana Power & Light Co. • Gulf States Utilities Co. • Southwestern Electric Power Co. • Central Louisiana Electric Co. • New Orleans Public Service Inc.

**Club Notes**

# NCAS Attends State Convention; Other Clubs Plan Meets, Initiations

Northeast's chapter of the National Collegiate Association of Secretaries attended the state convention held

Saturday at the University of Southwestern Louisiana.

Miss Carolyn Ladner, instructor of Office Administration here, was

the speaker at the first general session. She spoke to the convention on the topic "Keys to the Future."

Three students from Northeast took part in the first general session. Jacqueline Holder, chapter president, presided over the session, while Vikki Moore, chapter secretary, called roll for the chapters. Freeman Stamper, chapter historian, introduced the main speaker.

Other members from the Northeast chapter who attended the convention were Jean Carey, Sara Eichler, Martha Meeks, Betty Nolan, Eldora Taylor, Vicki Trichel, Elaine Torre, Jacqueline Holder, Janice Weems, Donna Reed, Terry Campbell, Rosemary Jeffries, Mrs. Joyce Burkhalter and Mrs. Gloria Brantley.

**Rho Chi**

Rho Chi, pharmacy honor society, has initiated eight students and one faculty member into its membership.

Students must have a "B" average or above to be accepted into the organization.

New student members of the group include senior Donald Judice of Franklin and juniors Nancy Baggett of Dubach, Frances Bryan of Pineville, Martin E. Eloessner Jr. of Jonesville, Carol Crotwell of Monroe, George L. Munn Jr. of Baton Rouge, Lawrence Robinson of Shreveport and Robert I. Selle Jr. of New Orleans.

The faculty member initiated into the society is Willard L. Harrison, assistant professor of hospital pharmacy.

**Psychology Club**

Northeast's psychology club will have a meeting next Wednesday, May 10, at 4 p.m. in Stubbs 234.

Election of officers for next year will be held. All psychology majors and minors are invited to attend.

**Phi Alpha Theta**

Phi Alpha Theta, national history fraternity, elected officers for the coming year at a meeting, April 27.

Those chosen to serve are George Cicala, president; Marcia Frost, vice president; Beth Huffman, secretary-treasurer; and John Singuefield, historian.

The meeting was highlighted by a lecture by Ted Ferguson, a member of the faculty in history. Ferguson spoke on "The Conspiracy to Murder President Lincoln."

## Students Attend SUSGA Meeting

Representing Northeast at the Southern Universities Student Government Association annual conference in Mobile, Ala., last weekend were Steve Huffman, Karl Rodriguez, Barry Delcambre, Butch Hunter, O'Brien Richards, Maureen Turner and Vicki Clark.

Attending the convention with the students was Assistant Dean of Men Thomas Murphy.

The group left Thursday morning and returned Saturday afternoon.

## Northeast Play Proves Hit With Brown Audience

By FRED WYLY

Brown Auditorium welcomed back possibly the most entertaining dramatic medium with the 2-day run of "Our Hearts Were Young and Gay," NLSC's first musical since "Mikado" in 1964.

The musical comedy by Cornelia Otis Skinner and Emily Kimbrough proved a success with Northeast audiences. Once again, Dr. George Brian has directed another crowd-pleaser as students and faculty alike responded to the hilariously funny story of two young girls on

their way to Europe and their adventures on the continent.

Cast in the leading roles of Cornelia Otis Skinner and Emily Kimbrough were Jennie Clare Carroll of Monroe and Laurie Young of Slidell. Laurie Young proved an instant success with her first leading role on the Northeast stage. Her "She's My Dearest Friend" set the audience for an evening of genuine theatre. After a weak opening, the appearance of Cornelia and Emily revived the audience and set the pace for the rest of the evening. However, the highlight of the first act was this duet of actresses performing in the "Skinner-Kimbrough Guide to Europe." With vaudeville variations and a modern touch called the "fat lady," this song proved the show stopper of the first act.

**Male Roles**

Also cast in the leading male roles were Bill Chandler as Bob Thackery and James Black as Dan Fitzpatrick. Both boys, in their first roles in a major production, proved themselves possible successors to past Northeast leads. Bill Chandler, in his number "Get Away From Me," and James Black, with "Anytown," showed the audience their dramatic and musical talents.

Proving there are no small parts in the theatre were the performances of Philip Maniscalco and Lynda Franklin as the English couple on shipboard. They proved immediate audience favorites and this critic looks with anticipation for their next roles. Also notable were the New England schoolmarm — Linda Lawrence and Sandy Knobloch, who added a touch of subtle humor.

## 15 Coeds Added To Warbonnets

Warbonnets, Northeast's dance and drill team, added 15 girls in tryouts April 24.

Mrs. Bill Dotson, sponsor of the dancing team, said the girls will perform at NLSC football games, basketball games and occasionally in parades.

The president of this year's Warbonnets is Leigh Gregg of Sterlington.

The addition of the 15 girls makes a total of 45 Northeast coeds which will participate in the Warbonnets next year.

The new members are Becky Butler, Sylvia Dowd, Cathy Sherman, Pat Solomon, Carrol Sugar, Sandra King, Carrol Britton, Bonnie Baldo, Sara Thompson, Brenda Smith, Cathy Spurlock, Alice Hanes, Sandy McCain, Jeannie Kimball and Christy Trichel.

# In Our Opinion

## Hogpen USA... Or NLSC?

The steps are covered with filth. Then they are covered with paper. And finally they are littered with debris and mire.

This, unfortunately, is the scene inside—not outside—many campus buildings.

The steps are, naturally, covered with filth because of the heavy traffic up and down, in and out of the crowded classrooms. They are covered with paper because students waiting for the classes cannot be expected to stand in the halls for a few minutes... after all, they are only college students... so they take papers, filth, coke bottles and coke cups and they blend this with the shuffling students and as a result litter and debris prevails.

And so the cycle begins each day... more students come to wait for their classes and more papers are added and more litter piles up and more students come up and down the stairs.

But... it is not only the inside of the buildings which resemble "Hogpen USA," but also the campus itself.

Why the sudden appeal for a clean campus? Simple... Northeast has become a trash haven. A more logical reason is that the city of Monroe seeks to become the state's "cleanest city."

But how is this possible when Northeast is in Monroe? Surely the students care...

... or do they? Some of them do care... such as Alpha Omicron Pi, Zeta Tau Alpha and Kappa Alpha. They have pledged to help.

But what about the rest of the students and other sororities and fraternities such as Phi Mu, Sigma Tau Gamma, Tau Kappa Epsilon and the service club, Circle K? Do they care? Thus far it seems they do not.

Not only pledging your support, however, but also carrying out that pledge is important.

Northeast, which is really a "city within a city," will play a prominent role in the Cleanest City drive. The activities here on campus are under the leadership of the College Beautification Committee, which is headed by Paul Rawson, Northeast geography instructor.

ALL organizations are asked to contact Mr. Rawson at Ex. 307 and let him know of their club, sorority or fraternity intentions of aiding both the city and the College in this beautification drive.

Alpha Omicron Pi, Zeta Tau Alpha and Kappa Alpha have pledged their support thus far in the drive... what about the other organizations?

Don't be an "out"... be an "in" Join the campaign and let the state of Louisiana see Monroe be named "Cleanest City."

## Join The 'In' Crowd

Stop... do not read any further if you are not planning to go to summer school this year... this is for summer school prospects only.

This is for those students who are planning to go to college this summer and either take courses they have previously had, or those who intend to further their education.

Conditions are uncertain, especially with regard to the war effort. It is always desirable for a student to get as much of his college work behind him as possible.

A student is better off financially if he can advance his graduation date. Each month saved is worth \$500-\$600, or more by the time of graduation. He also gains seniority over the persons who drag out their college careers.

Now with Northeast's new two six-week terms this summer, a student may earn as many as 14 hours in just one summer. A person can make up half a year simply by going one summer.

Also, a student tends to get rusty in academics while engaged in many types of summer work.

Northeast's first six-week summer session will begin June 1. If you cannot make this session, the second term will begin on July 12. You have a "double-shot" to increase your hours and quality points.

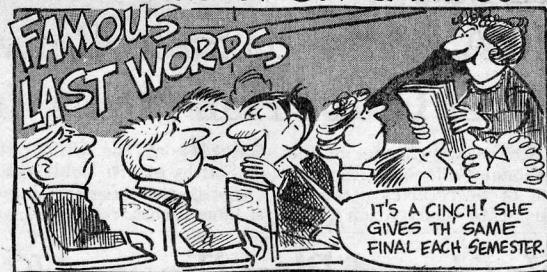

What are more advantages of summer school?

Now more classrooms are air-conditioned... classrooms are less crowded, thus better participation and help by instructors... faculty is better qualified... more Ph.D's teach and also more experienced instructors... fewer distractions in summer school from extra-curricular activities... thus better grades.

The advantages are endless, and the fact remains that summer school is definitely "in."

Remember, the first summer session begins June 1... try to make it if possible.

## LITTLE MAN ON CAMPUS

## Editor's Notebook

By Pat Herlevic

Uncommonness may be a handicap of great dimension affecting your life without you ever being aware of it.

We are all more or less aware of types of dissimilarity with the group which may be detrimental, such as physical or mental subnormalities.

But there are "positive" types of uncommonness which are encouraged yet which serve as handicaps to our being accepted on friendly terms.

The man who is uncommon, who is brilliant, critical, endowed with superior intellect, or physical prowess is by nature of his distinction building up dislike for himself among all those who are not like him. This happens because he deflates the ego of those less endowed than he.

Dislike may also stem from other sources such as fear. Fear of sarcasm, even physical domination, but this latter is usually confined to childhood.

We may dislike or even be disliked because petty things of a personal nature that annoy. This happens when our roommate insists on taking showers at 2 a.m., snoring or some such other personal characteristic.

But even if these common causes off your oxygen supply," and your mind will stop wandering... we hope.

The 'In' Crowd New York (AP)—The "in" thing these days is to be in an "in," and the "in" season is definitely in.

A casual survey this week of the "in" situation disclosed "ins" popping up like spring crocuses.

If you're not an "in" you're simply not in.

There is or has been or will be an "in" for almost all tastes, including a paint-in, a kiss-in, a float-in, a shear-in, a love-in and perhaps the last word in "ins," the supreme be-in.

In Hollywood, they came up with the psychedelic paint-in on a floodlit stage.

Nine artists, each with his own bikini-clad model, competed to see who could produce the giddiest design on a female pelt.

At Michigan State University students invented the kiss-in. This was a reply to official criticism of the ardor demonstrated in dormitory lounges.

About 100 students took part, but for some reason the think kept breaking up into smaller groups—like two.

One of the more spontaneous (See COLLEGIATE, Page 10)

This Collegiate World By Bob Molcany

MC—The president of Merietta College encourages students to inform themselves about drugs and their use. So the students did. One individual proclaimed that marijuana gave him the cleanest "high" he had ever experienced.

Another noted that it was much better than alcohol with no hang-over besides.

The president asked students to refrain from using drugs for the simple reason that they would get thrown out of college if they did. It would seem that the president's

attitude toward information and against experimentation might go up in smoke.

Try Breathing U. of B.—Having trouble concentrating on your French lecture because you're thinking about the beach, or watching that pretty girl outside the window? Holding your breath may be the answer.

Hans Frankel, speaking at a seminar on "Psychotherapy and Yogic Exercises" recently at the University of Bridgeport, seems to think that it is.

There is a great gap between the mind and the body, he said. A connection between them, is our breathing, because breathing influences both our minds and our bodies.

We breathe differently with different activities, and intense breathing causes a loss of mental absorption.

So the next time when you know you should be listening to the professor's lecture because there is an exam tomorrow, but your mind keeps wandering out the window, try changing your breathing.

This brings the mind back to neutral ground and you can then start concentrating on the lecture.

If your delinquent mind wanders again, stop breathing and say "mind, stop wandering or I will cut

## 7 Area High Schoolers Receive Scholarships

Seven Monroe area high school seniors have been named recipients of \$800-a-year State Board of Education Scholarships to attend Northeast.

They are Kathleen Elsie Day of Bastrop, Lonnie Lamar Hood and Jerry Wayne Ramsey of Ouachita Parish High School in Monroe, Cynthia Del Paul of Jena, Trudy Ann Prather of Newellton, Robert Franklin Rhone Jr. of West Monroe, and Bruce Edward Wheeler of Linville.

### Announced

The scholarship recipients were announced by Northeast President George T. Walker.

Miss Day, who plans to major in elementary education at Northeast, is the daughter of Mr. and Mrs. Raymond E. Day of 328 S. Marable St. in Bastrop. She is a member of the Student Council, Mu Sigma Honor Society, the Student Honor Court and the student newspaper staff, and won the D.A.R. Good Citizen Award.

Lonnie Hood, who plans to major in physics, is president of the Math Club, was a winner in the local and district Science Fairs in earth science, won a peace essay contest sponsored by the Lions Club and attended Pelican Boys State. His parents are Mr. and Mrs. James Hood of 109 Charmingdale Dr.

The son of Mr. and Mrs. Richard E. Ramsey of Swartz, Jerry Ram-

sey plans to major in pharmacy. He is president of the Library Club, vice president of the National Honor Society and a member of the Student Council, the Choir, Thespians, 4-H Club and Future Business Leaders of America, in which he serves as Mr. FBLA.

A member of the National Honor Society and pianist with a superior rating, Miss Paul plans to major in elementary education. She is the daughter of Mr. and Mrs. Jewell H. Paul of Nebo Route, Jena.

### Major in Business

Miss Prather, who plans to major in business, is president of the Student Council, Future Homemakers of America and the senior class as well as vice president of the parish FHA and drum major in the band. Her parents are Mr. and Mrs. Wallace Prather of Newellton.

The son of Mr. and Mrs. Robert F. Rhone Sr. of 1202 Tim St. in West Monroe, Robert Rhone has served as president of the Latin Club, as a director of the Interact Club and won first place in the Junior Classical League Oratory Contest and the Optimist Club Oratorical Contest. He plans to major in pre-law.

Bruce Wheeler plans to major in mathematics or physics. He has served as editor of the school yearbook and newspaper, as co-captain of the basketball team and as northern district Mr. FBLA. His parents are Mr. and Mrs. Charles W. Wheeler.

## Symphonic Band Presents Program At Neville Tonight

The Northeast Symphonic Band will present a varied musical program tonight at 8 in Neville Auditorium.

Conductor of the 56-piece band will be Joe Barry Mullins, head of the Department of Music.

The opening number will be Sou-

sa's "George Washington Bicentennial March." Other selections will be Hindemith's "Symphony in B Flat for Concert Band," Gould's arrangement of "Dixie," and Strauss' "The Dance of the Seven Veils."

Mullins announced that no admission will be charged.

## Concert Choir Scheduled For Two Appearances

Northeast's Concert Choir is scheduled to make two appearances this weekend—Saturday for a concert at Camp Alabama, near Choudrant, and Sunday at the First Presbyterian Church of Monroe.

Saturday's appearance at the Presbyterian assembly grounds will be a lakeside concert for the Laymen's Assembly of the Louisiana Synod, a gathering for men from throughout the State.

Sunday at 3 p.m., the choir will sing at the Church. Both appearances will include such selections

as "Soul, Be Still," by Franck; "The Song of Fate," by Brahms; and "Heard My Prayer," by Mendelssohn.

Conductor for the group is Davis B. Bingham, associate professor of music at Northeast.

Earlier this year the choir sang for the Louisiana State Convention of B'nai B'rith. This fall, the group is scheduled to perform in two Shreveport operas, and next spring will sing a major choral work in New Orleans.

## Pharmacists Hear McEvilla Give Talks

Dr. Joseph D. McEvilla, head of the Pittsburgh Department of Pharmaceutical Administration and professor of pharmaceutical economics, appeared at Northeast April 27-28 for a series of four lectures.

Dr. McEvilla spoke to a pharmacy class on "Socio-Economic Aspects of Drug Utilization and Expenditures" on the 27th. The next day he addressed the seniors, graduate students and faculty on "Pharmaceuticals, Prices and Profits."

### Sponsors

The lectures were sponsored by the American Association of Colleges of Pharmacy and the American Foundation for Pharmaceutical Education.

Thursday night Dr. McEvilla attended a banquet given by Rho Chi Pharmaceutical Society. This was followed by a lecture in Stubbs Hall on "Application of Information Retrieval Systems to Pharmaceutical Economic Research."

### Expert

Dr. McEvilla is a nationally recognized expert on medical-pharmaceutical economics and is a contributing author of "Remington's Practice of Pharmacy."

## Two Awards Won In Art Contests By Instructor

Robert G. Ward, art instructor at Northeast, has won two awards recently — one in competition at Alexandria and the other in Shreveport.

Ward took top honors in oil painting at an art festival sponsored by the First Methodist Church of Alexandria, in competition with artists from throughout Louisiana. He won second place in Shreveport for a lithograph, "Portrait of Jeannie."

The Shreveport exhibition is sponsored by the Junior League of Shreveport and the Shreveport Art Club, in conjunction with the annual Holiday in Dixie activities.

His painting "High Away" in Alexandria won \$200 for the artist. A total of 80 of the 200 entered were chosen for exhibit.

In Shreveport, the pieces of art will be on display through Saturday at Selber Brothers at Pierremont Mall.

The competition drew artists from throughout Louisiana, Arkansas, Mississippi and Texas. Official presentations to winners will be made Saturday at the Mall.

## Speech Arts Give Awards At Banquet

Fourteen awards were presented at the annual banquet of the Speech Arts Association April 25.

Debating awards were won by Marilyn Denoux, Linda Thompson and Holly Bayne Casey of Monroe; Judy Lastrapes and Cathy Bowers, both from Baton Rouge; Linda Barras, New Iberia; and Ellen Smith and Dianne Harper of Shreveport.

Outstanding male speech student award went to Ronn Robinson of Bastrop. Linda Lawrence of Monroe won the outstanding female student award.

The Speech senior of distinction award went to Chuck Staneart, Westminster, Calif. Jennie Clare Carroll of Monroe won the special Speech Department award.

Philip Maniscalco of Baton Rouge was presented with the Alpha Psi Omega Award for technical work. Outstanding seniors and graduate assistants gave an award to Dr. Edward J. J. Kramar, head of the speech department.

The honored guest at the banquet was actor John Carradine, who appeared at Northeast Tuesday.

**SPEECH AWARD**—Dr. E. J. J. Kramar presents the outstanding female speech student award to Linda Lawrence at the Speech Arts Association banquet held April 25.

## Final Play Slated For Thursday In CUB Auditorium

The final set of one-act plays presented by Dr. George C. Brian's directing class will be held Thursday, May 11, at 7 p.m. in the College Union Building Auditorium.

Four plays will be presented in this set, and there will be no admission charge.

"Suppressed Desire," directed by Linda Lawrence and Donna Fulmer, will feature Connie Luttrell, Sandy Knobloch and Bill Atchinson.

Joseph Noah Joaquin cast Jeanie Taylor, Nancilee Foster and Chuck Staneart in the play he will direct, "When the Sun Rises."

Linda Barras will direct part of "The Philadelphia Story" with Deidre Cruse and Benton Lucky in the roles.

Marilyn Denoux will also present a play.

Other members of the directing class presented plays for Faith In Life Week and for an evening performance on April 24.

# Greek Column

By Dee Cruse

Sig Tau national field representative David Blum will be in Monroe next week to conduct a chapter inspection of Beta Nu. This weekend the active and pledges will be working together preparing for this inspection.

Tomorrow night several of the Sig Tau's will attend the White Rose Ball at Arkansas A&M.

Congratulations to brother Truett Nolan, who is engaged to Phi Mu Alice Godwin, and to Chet Godlewski who was recently pinned to Pam Stevenson.

The Sig Tau actives would like to extend another warning to their pledges. The actives know the pledges are afraid of their upcoming softball encounter and would appreciate it if the pledges would at least show up — although the odds of the pledges winning are very slim.

### Zeta Tau Alpha

The Zeta's would like to congratulate Laurie Young on her leading role in "Our Hearts Were Young and Gay" and Linda Lawrence and Jeanie Taylor, also featured in the play.

Friday the Zeta's will travel to Tech where they will hold initiation ceremonies for the Zeta Kappa Colony there. The girls will also attend the installation of the chapter Saturday afternoon and a tea Sunday.

### Alpha Omicron Pi

The AOPi's wish to thank Donna Anderson, Dana Tucker and Carol Johnson for the splendid job they did making the spring formal such a success.

Congratulations to Cheryl Smith, who was presented a plaque for outstanding pledge at the formal Saturday night. Georgette Varino

was recognized as outstanding active, and Janis Brandon was named Lambda Tau's nomination to national as "Girl of AOPi."

AOPi's are very proud of Leigh Gregg who was recently elected president of the Warbonnets, Northeast's dance and drill team.

### Kappa Alpha

The KA's express their sincere appreciation to the chaperones who helped during Old South weekend. The chapter appreciates the use of President George T. Walker's home for the tea given for the members and the faculty.

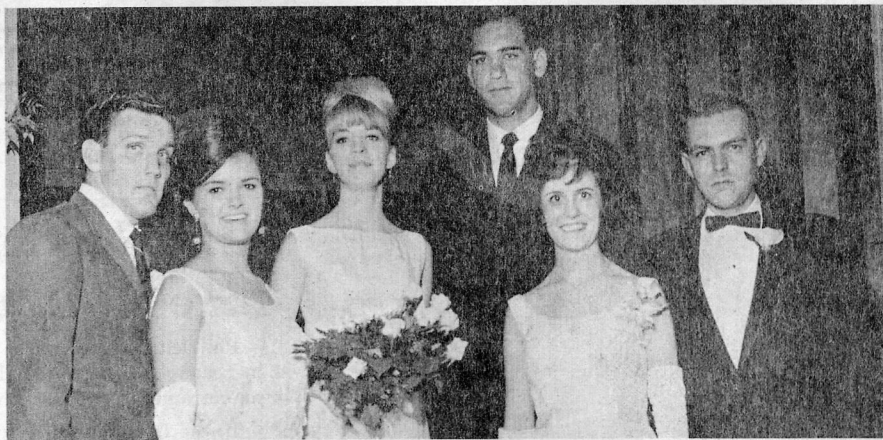

KA would like to congratulate Larry Mullens on being selected Kappa Delta "Dagger Man," an honor presented to him at the KD spring formal.

The KA pledge board is completing activities for the spring semester pledge class.

### Kappa Delta

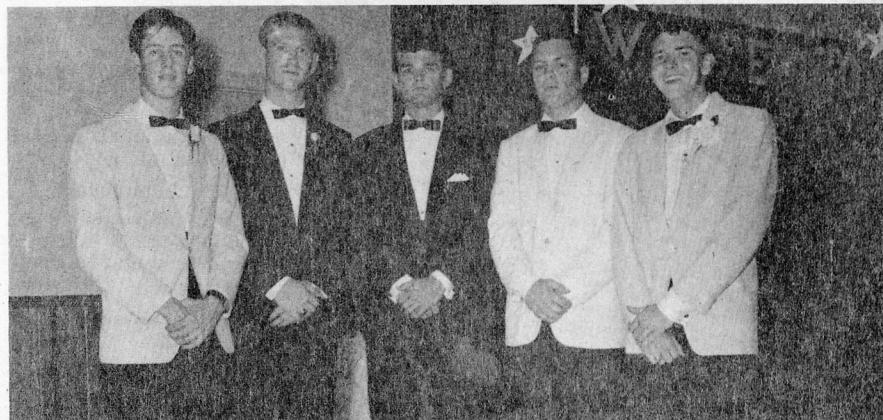

The KD's celebrated their first White Rose Ball Saturday night at the Bayou DeSiard Country Club. Music was provided by the "Monks" from LSU.

Before the dance began, the charter initiates were formally presented, followed by the introduction of pledges. KA Larry Mullens, chosen "Dagger Man," was presented a plaque that will be handed down each year. Sandy Ballard, KD president, was given a dozen white roses from the chapter. Congratulations to Susan Henley

**WHITE ROSE BALL**—Kappa Delta, Northeast's newest social sorority, held its first White Rose Ball last Saturday night at the Bayou DeSiard Country Club. Among the

guests at the Ball were Floyd Giblin, Becky Butler, Sandy Ballard, KD president, Steve Huffman, Peggy Windham, social chairman, and John Douglas.

**SIG TAU OFFICERS**—Sigma Tau Gamma announces its 1967-68 officers: Marcus Wolf, recording secretary; Mack Marsh,

vice president; Danny Otts, president; Steve Hidalgo, corresponding secretary, and George Holler, treasurer.

on being chosen TKE Sweetheart and to Kay Seal on her election to Susan's court. Susan was also installed as Panhellenic treasurer Monday night.

Congratulations to Becky Butler for being chosen one of the Circle K calendar girls. Becky also became one of the Northeast Warbonnets, as did Cathy Sherman.

### Tau Kappa Epsilon

The Red Carnation Ball was held last weekend at the Columbus Social Club. The theme was "Conclave Bound" in anticipation of the TKE International Conclave to be held this summer in the Bahamas. Highlights of the evening included the presentation of the Jarrett Ketcham Award (best active) to Belvin

Fontenot, a senior pharmacy major, and the selection of Susan Henley as Teke Sweetheart. Special thanks to Frater Dave McNeill, social chairman, for insuring the night to be a success. An alumni reunion was held at the Admiral Benbow preceding the Ball.

The fraters and pledges of Epsilon Mu Chapter would like to thank their 1966-67 Sweetheart, Kay Williams, for her efforts this past year. "Kay will always occupy a place

in the hearts of our members," say the TKE's.

### Phi Mu

Phi Mu's presented three awards at their Pink Carnation Ball, held last Friday night. Linda Lea Green received the award for being the outstanding member, while Janet Hood was recognized as the outstanding pledge. Arden Anders was presented the scholarship award for being the member with the highest grade point average.

## Coed Chosen White Rose By Fraternity

Susan Carter of Northeast has been selected "White Rose" of province VII of Sigma Tau Gamma fraternity. Province VII includes all Louisiana chapters of the social fraternity.

Warren Louque, province VII governor, introduced each chapter sweetheart at the "White Rose Ball."

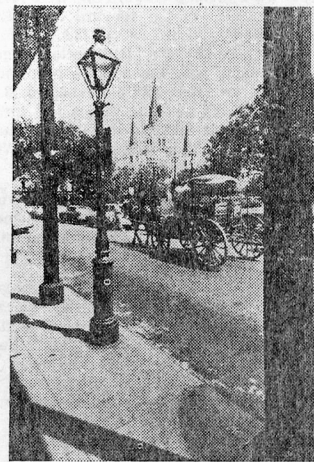

Miss Carter, presently carrying the two honors of Beta Nu Sweetheart and Province White Rose, will participate in the National White Rose Sweetheart contest later on this year.

This contest will be composed of White Rose Province Sweethearts from Sigma Tau chapters throughout the United States.

**MIKE SHEPHERD**, ace Indian shot putter, practices his specialty for Saturday's Northeast Invitational here. Mike tossed the shot 53-7½ during the Louisiana Tech dual meet to break the 53-6 record of former Indian, Hoy Rogers.

## Mike Shepherd Shines As Thinclads Bounce Bulldogs

Northeast flexed its muscles in track and easily defeated Louisiana Tech in a dual meet in Ruston last Saturday afternoon.

In the 81-64 victory, shot putter Mike Shepherd set a new school record in the event with a 53-7½ toss, which is the longest throw in the conference this year.

Shepherd, a junior from West Monroe, broke the 53-6 record of former Indian Hoy Rogers. Shepherd's throw also surpassed the Gulf States Conference record of 53-3, but does not constitute a GSC record because it was not broken in the GSC meet.

The Indians won seven individual events and both of the relays. The individual winners were Milton Grubbs in the high jump with a 6-6½ leap, Don Warren, freshman from Jackson, Miss., in the long jump with a 22-11½ jump. Tom

Miller, a freshman from Haynesville, soared to 13-6 in the pole vault.

### Fountain Wins

In the running events, Ronnie Fountain, NAIA trackster last year, won the 100-yard dash and ran on the winning 440-yard and mile relay teams. In the 440-yard dash, Bill Haley finished with a 48.9 clocking. In the 120-yard high hurdles, Roger Mann, with the nation's best time in the event with a wind-aided 13.4, won his specialty with a 14.6 time, but was upset in the 440-yard hurdles by Tech freshman Wayne Williams. Mann finished second.

The meet's only double-event winner was Tech's distance runner Brendan Minihan, who won the mile and three mile events.

John Hollingsworth, a freshman from New Orleans, finished second in the shot put and second in the discus to Tech's Tim Hall. Hall tossed the shot 48-6 and spun a 162-2½ throw in the discus.

## Win-Hungry Netters Tackle Tech Today

After being rained out of a dual match with Nicholls State Monday, the Indian netters vie with the Bulldogs of Louisiana Tech in a dual match today in Ruston.

### NLSC—Lions

Northeast dropped a close 4-3 decision to the Southeastern netters last Friday in Hammond. The Lions won three of the five single matches and split the doubles to record the victory.

Harold Buquoi of SLC won the number one singles match for the Lions by defeating David Jones of the Redskins, 6-2, 6-0.

### Singles

Buquoi, SLC, beat David Jones, NLSC, 6-2, 6-0.

Medicus, SLC, beat Martin Lerner, NLSC, 6-3, 6-2.

Henry Reno, NLSC, beat Courtney, SLC, 6-1, 6-8, 6-4.

John Walker, NLSC, beat Wilson, SLC, 6-2, 6-2.

Williams, SLC, beat Jim Shelby, NLSC, 6-2, 6-2.

### Doubles

Buquoi-Medicus, SLC, beat Jones-Shelby, NLSC, 6-4, 6-3.

Lerner-Reno, NLSC, beat Williams-Wilson, SLC, 7-5, 6-4.

Northeast and Monroe will host the Gulf States Conference Championship May 11-12.

# Redskins Host Athletes Saturday In Track, Field Extravaganza

Brown Stadium is the scene tomorrow night of the fifth annual Northeast Invitational Track and Field Meet.

Five teams — Northeast, Louisiana Tech, Northwestern, McNeese and East Texas State -- will compete in the event.

## Phi Delta Chi, Spartans Take Intramural Victories

Phi Delta Chi remained in first place in the Organization League as did Hudson Hall in the Independent League after intramural action last week.

In the Intramural Track Meet held last Thursday and Friday, activity in the Independent League saw the Sherrouse Spartans score 158 points, Hudson Hall, 144, the Marauders, 22 and the Robbers, 18 points.

In the Organization League, Phi Delta Chi continued its winning ways by tabulating 153 points Sigma Tau Gamma notched 68, Kappa Alpha, 36 and BSU, 18.

### TEAM STANDINGS

Long jump — 1. Martino, Spartans, 19-5½; 2. Geoinne, Robbers, 18-1; 3. Eddleman, Hudson, 16-4¼; 4. Scarborough, Robbers, 15-9¾.

220 — 1. Damico, Hudson, 23-7; 2. Miller, Hudson, 24-0.

Triple jump — 1. Dalbar, Spartans, 41-10½; 2. Beard, Spartans, 41-2½; 3. Randow, Hudson, 39-11¾; 4. Brinkenhoff, Marauders, 35-6¾.

120 high hurdles — 1. Rodrigue, Spartans; (only entry)

880 relay — 1. Hudson; 2. Spartans. T—1:37.0.

100 — 1. Duncan, Hudson, 10.0; 2. Damico, Hudson, 10.1; 3. Baus, Marauders, 10.5; 4. Underwood, Spartans, 11.1.

440 relay — 1. Hudson; 2. Spartans. T—45.9.

180 low hurdles — 1. Overby, Spartans, 22.9; 2. LaBarber, Hudson, 23.1.

Mile relay — 1. Hudson; 2. Spartans. T—3:51.5.

Preliminaries in the 100, 220, 440, high hurdles and intermediate hurdles will kick off the meet at 2 p.m. Finals will begin at 6:30 Saturday night with competition in the pole vault and discus. Other field events will begin at 7 p.m., and running events will begin at 7:30 with the 440-yard relay.

Northeast has won all four runnings of the Invitational, and Coach Bob Groseclose's Redskins will be favored to repeat as champions.

### Top Freshman

East Texas' squad includes one of America's top freshman athletes, sprinter John Carlos, who has run the world's fastest times of the year in the 100 and the 220.

Carlos is one of two competitors set to compete in the meet who have the world's fastest 1967 times in their event. The other is Roger Mann, who ran a wind-aided 13.4 in the Southwestern Recreation Meet March 4 in Fort Worth.

In addition to this outstanding pair, other nationally ranked athletes or relay teams scheduled to compete in the meet are McNeese javelin thrower Bobby Barnes, Louisiana Tech discus star Tim Hall and East Texas State's mile relay quartet.

East Texas is a member of the Lone Star Conference, while the remaining four teams are GSC members which will compete in the Gulf States Conference meet on the same track next weekend.

**Graduate students in H&PE 501 (Physiology of Exercise) will present research reports in a program entitled "What Research Tells the Physical Educator and Coach About Exercise."**

**The program will be held Wednesday, May 10, at 8 p.m. in room 209 of the Student Union Building.**

**All physical educators, coaches and interested parties are invited to attend.**

**NLSC SPORTS**

## Brisk Bowlers Brace For Fantastic Finish

Caple's Texaco took over first place in the Tuesday Night League, downing Flynn's Grill, 3-1.

College Grocery maintained second place in one of the league's closest matches by beating Flair Jewelers, 3-1, and Newcomer Tire Shell blasted Welch's Auto Sales, 3-1, as Trellis Massie posted the year's best series, a sparkling 659.

### TEAM STANDINGS

Team	Won	Lost
Caple's Texaco	32	16
College Grocery	31½	16½
Flynn's Grill	31	17
Newcomer Shell	30	18
Welch's Auto Sales	27	21
Flair Jewelers	16	32
Medical Arts	15½	32½
Jersey Boys	7	41

### Women's League

Action last week in the NLSC Woman's Bowling League saw Minitman Hamburgers defeat Walgreen's, 4-0.

Lois Marionneaux rolled an outstanding 191 to pace the winners, while Barbara Miller led Walgreen's with a 143.

In other action, Burney's Furniture downed Piggly Wiggly, 3-1, and Weir's Cleaners split with Coca Cola, 2-2.

### LEAGUE STANDINGS

Team	Won	Lost
Weir's Cleaners	60½	43½
Burney's Furniture	59½	44½
Minitman Hamburgers	57½	46½
Coca Cola	54½	49½
Piggly Wiggly	48½	55½
Walgreen's	32½	81½

**Forget Front Teeth**

**All I Want For Christmas Is A GSC Championship**

By JAMES BICKFORD

Subject: Gulf States Conference Baseball Championship

Wanted: Two, three or four defeats inflicted on the Northwestern State College and McNeese State College baseball teams

Contact: Northeast Louisiana State College baseball team, Monroe, La.

**Guess Who?**

The 1967 baseball championship for the Gulf States Conference will be decided by Monday afternoon with Northeast, Northwestern or McNeese to be crowned the champion.

Conference leader Northwestern has a record of 12-8, McNeese is second with a 10-7-1 slate and the Tribe is in third position with an 11-9 record.

The Indians, who were rained out with Nicholls State Monday, will play non-conference foe Lamar Tech in Beaumont, Tex., tomorrow afternoon, and on Monday, May 8, the Tribe plays Louisiana Tech at Ruston.

**GSC Crown**

"If" is the most important word in the Indians' vocabulary, because the Redskins can win the GSC baseball crown if they defeat Tech in the doubleheader Monday, providing Northwestern, which plays Southeastern today in Hammond and McNeese on the Demon diamond Monday, loses two, three or four of its remaining games. To complicate the baseball race even more, McNeese, who plays in Lafayette tomorrow against the University of Southwestern Louisiana and travels to Natchitoches for two games with Northwestern Monday,

must lose two, three, or four of its remaining four games to enable the Indians to capture their third baseball crown.

The GSC champion is decided by percentage points, and the Tribe would win the championship on the percentage point basis if Northwestern and McNeese lose the necessary games and the Indians are victorious over Tech.

**Tribe-Pokes**

In a GSC doubleheader last Saturday, Northeast and McNeese split a pair of games, with the Tribe losing the first game, 4-3, and winning the second contest, 12-1.

David Davis, one of the nation's leading pitchers, took the loss in the first game, and Steve Karnes, senior righthander from Metairie, raised his record to 5-4 by winning the second contest.

In the first game, the Cowboys scored the winning run in the bottom of the eighth inning with Coco Rossitto blasting a two-run homer for the Pokes. For the Indians, shortstop Joe Canal, from Neville, aided the cause with two hits and two runs batted in.

**Home Run**

Joe Huffman, senior outfielder from Fair Park, stroked a two-run blow for the Tribe in the second contest to aid the Indians gain their 12th win in conference play.

With Karnes throwing a two-hitter against the Cowboys, the Indians bombed Poke pitching for 12 runs and 12 hits in the nightcap. Freshman Wayne Burney, a former Fair Park High star, was the leading batsman with three hits and two runs batted in. Marvin Brosset, Glynn Saulters and Karnes contributed to the attack with two hits apiece.

**BOWLING**

Northeast bowlers prepare for a return match with Louisiana Tech this Sunday on the CUB lanes, with Tech seeking revenge after an earlier defeat at the hands of the Indians, 4-3.

Each school will sponsor two teams in the event. The Tribe first team will be composed of Tim Toler, Buddy Wrangofski, Trellis Massie, Dan Winslow and Elvin Hartung. Making up the second team will be Bill Standard, Jim Prince, Bruce Stone, Jim Thompson, Pat Harwell and Pete Check, alternate.

The six game set will begin at 1 p.m. The match closes out competition for the year.

**HIGH SCHOOL TOURNEY**

In the Louisiana High School Bowling Tournament held last Friday on the CUB Lanes, Trudy Attuso of Redemptorist of Baton Rouge and Mark Bartlett of Pineville won the all-events championships to pace the individual performers.

The meet was dominated by bowlers from Pineville and Baton Rouge, as Redemptorist won the girls' team title with 1,860, and Pineville was the boys' winner with 2,241 for the five-man team.

Singles winners were Jackie Shelton of Redemptorist with a 377 score for three games and Alex Poag of Ouachita of Monroe, who had a 508 series.

**Linksters Vie With Tech; Prepare For GSC Meet**

The Redskin golfers will play their last dual match of the season today in Ruston against Louisiana Tech.

The Bulldogs defeated both Northwestern and the Indians in a triangular meet last Friday in Monroe.

The Indians will conclude the campaign May 11-12 in the GSC tournament in Monroe.

**NLSC—McNeese**

The scheduled match between the Tribe and the Cowboys of McNeese was postponed Tuesday because of wet grounds.

The contest, the first of the season between the two foes, was played yesterday over the Bayou DeSiard Country Club course.

**Triangular Meet**

The Northeast linksters, playing without the services of Glenn Walker, their number two man, came in last in a triangular match with Louisiana Tech and Northwestern last Friday at the Bayou DeSiard Country Club in Monroe.

The Bulldogs tallied 366 strokes to Northwestern's 374 and Northeast's 377.

Rick Hyland was the Indian's top finisher, carding a one-over-par 71 for the 18 holes.

**The Scores**

Hollan, Tech, 69; Brame, Tech, 70; Hyland, NLSC, 71; Mulhearn, Tech, 71; Baird, NSC, 71; Peddy, NLSC, 72; Wynn, NLSC, 73; Henslee, NLSC, 74; Ross, NSC, 74; Data, NSC, 74; Wright, NSC, 75; Koschel, Tech, 78; Kumbrough, Tech, 78; Brown, NSC, 79; and Hebert, NLSC, 87.

**Northeast Gymnasts Win Again**

Northeast's gymnastics team added another victory to its record this year this past weekend in the Southern A.A.U. Championship Tournament in New Orleans.

Indian Robert Boudreaux won the all-around title taking first place in three events — side horse, free exercise and long horse. Robert also finished second in the rings.

Dwight McLemore of Northeast was second in the all-around. He finished second in both high bar and side horse.

Redskin Steve Nelson completed the three man team victory by finishing third in the side horse and sixth in long horse.

The Indian competitors were locked in a close battle with the University of Southwestern participants for most of the evening. The strength of the Bulldogs in this particular meet may be an indication of another strong contender for the National A.A.U. to be held this week at Northwestern State College.

### KNOE, NLSC Co-Sponsor 'Campus Visit' Program

Once every other week, Northeast State College, in co-operation with KNOE-TV, presents "Campus Visit." "Campus Visit" is a program designed to give the students in radio and television curriculums an opportunity to work with the many facilities in television and to write and produce their own shows.

James Hall, instructor in radio and television, has assigned each program to a student who writes his own script and produces the show. Four Campus Visits have been shown and two shows remain.

Hall said that the college is receiving an Ampex video tape recorder, camera and lights and will soon be able to use the equipment in producing parts of the shows on the Northeast campus. With this equipment, Northeast can better instruct and educate students in the technical operation that goes into the makeup of a television program. This new equipment is the first phase in a three-phase operation which will give NLSC complete

television studio facilities within five years.

Northeast's next "Campus Visit" will be May 6 when the college presents "Track, The Purest Sport." The program was written and produced by Herman Domangue. Domangue will illustrate the technical aspects of track and training that goes into the sport before the public sees the final performance.

Northeast's other production and last one of the year is written and produced by Ronn Robinson and deals with the accelerated degree program at Northeast.
